

Kindergarten DECEMBER

We are almost done with the second quarter , that went by pretty fast! I am so excited with all the new thing we are learning. It is very important that kids read at home so we can pick up in January with our reading Journey as new phonics skill are being introduce. I will send home their Christmas Performance lines for them to have extra practice at home. I also want to acknowledge the great participation and support from you with the students show and tell "Around the world" . We will wrap up learning how some Christmas traditions are celebrated in other countries.

Look at what we are learning

Phonics / Writing

Review letters and sounds, upper and lowercase.

Beginning and ending sounds

Consonant blends and ending double consonant

Digraphs th,ck,
