Joy to the World

Joy to the world; the Lord is come;

Let Earth receive her King;

Let ev'ry heart prepare him room,

And heav'n and nature sing.

Joy to the Earth, the Savior reigns;

Our mortal songs employ,

While fields and floods, rocks, hills and plains,

Repeat the sounding joy.

No more let sins and sorrows grow,

Nor thorns infest the ground;

He comes to make his blessings flow

Far as the curse is found.

He rules the world with truth and grace,

And makes the nations prove

The glories of his righteousness,

And wonders of his love.

Love is an Open Door

All my life has been a series of
doors in my face
And then suddenly I bump into you
I was thinking the same thing!
'Cause like
I've been searching my whole life to
find my own place
And maybe it's the party talking or
the chocolate fondue
But with you But with you
I found my place I see your face
And it's nothing like I've ever known
before!
Love is an open door!
Love is an open door!
Love is an open door!
With you! With you!
With you! With you!

Love is an open door
I mean it's crazy What?
We finish each other's
Sandwiches!
That's what I was gonna say!
I've never met someone
Who thinks so much like me!
Jinx! Jinx again!
Our mental synchronization
Can have but one explanation
You And I Were Just Meant to be!
Say goodbye Say goodbye
To the pain of the past
We don't have to feel it anymore!
Love is an open door! Love is an open
door!
Life can be so much more!
With you! With you!
With you! With you!
Love is an open door

O Come All Ye Faithful

O come, all ye faithful, joyful and
triumphant,
O come ye, O come ye to Bethlehem!
Come, and behold Him, born the King of
angels!
O come, let us adore Him;
O come, let us adore Him;
O come, let us adore Him, Christ, the Lord!

God of God, Light of Light,
lo, He abhors not the virgin's womb;
very God, begotten not created;
O come, let us adore Him;
O come, let us adore Him;
O come, let us adore Him, Christ, the Lord!

Sing, choirs of angels; sing in exultation;
sing, all ye citizens of heav'n above!
Glory to God, all glory in the highest!
O come, let us adore Him;
O come, let us adore Him;
O come, let us adore Him, Christ, the Lord!

Yea, Lord, we greet Thee, born this happy
morning;
Jesus, to Thee be all glory giv'n!
Word of the Father, now in flesh
appearing!
O come, let us adore Him;
O come, let us adore Him;
O come, let us adore Him, Christ, the Lord!

Go Tell it on the Mountain

Go tell it on the mountain
Over the hills and everywhere
Go tell it on the mountain
That Jesus Christ is born!

While shepherds kept their watching
O'er silent flocks by night
Behold throughout the heavens
There shone a holy light

Go tell it on the mountain
Over the hills and everywhere
Go tell it on the mountain
That Jesus Christ is born!

The shepherds feared and trembled
When lo above the earth
Rang out the angel chorus
That hailed our Saviour's birth

And I said go!
Go tell it on the mountain
Over the hills and everywhere
Go tell it on the mountain
That Jesus Christ is born!

Down in a lowly manger
Our humble Christ was born
And God sent us salvation
That blessed this Christmas morn

And I said go!
Go tell it on the mountain
Over the hills and everywhere
Go tell it on the mountain
That Jesus Christ is born!

Go tell it on the mountain
Over the hills and everywhere
Go tell it on the mountain
That Jesus Christ is born!
That Jesus Christ is born!

Mary, Did You Know

[Verse 1]

Mary, did you know

That your baby boy would one
day walk on water?

Mary, did you know

That your baby boy would save
our sons and daughters?

Did you know

That your baby boy has come to
make you new?

This child that you delivered

Will soon deliver you

[Verse 2]

Mary, did you know

That your baby boy would give
sight to a blind man?

Mary, did you know

That your baby boy would calm a
storm with His hand?

Did you know

That your baby boy has walked
where angels trod?

When you kiss your little baby

You kiss the face of God

Mary, did you know?

[Bridge]

The blind will see

The deaf will hear The dead will live
again

The lame will leap

The dumb will speak

The praises of the Lamb

[Verse 3]

Mary, did you know

That your baby boy is Lord of all
creation?

Mary, did you know

That your baby boy would one day
rule the nations?

Did you know

That your baby boy is heaven's perfect
Lamb?

That sleeping child you're holding

Is the Great I Am

Mary, did you know

Jingle Bell

Dashing through the snow
in a one-horse open sleigh.

O'er the fields we go
laughing all the way.

Bells on bobtails ring,
making spirits bright.

What fun it is to ride and sing a sleighing
song tonight.

Oh! Jingle bells, jingle bells,
jingle all the way.

Oh what fun it is to ride
in a one-horse open sleigh. Hey!

Jingle bells, jingle bells,
jingle all the way.

Oh what fun it is to ride
in a one-horse open sleigh.

Born to Bring Us Joy

(1)

The angels echoed through the sky
The night that Jesus was born
To tell the world the Lord has come—
Born to bring us joy!
The shepherds, hearing their song that night,
Came running from Bethlehem's hills
To kneel before the baby boy
Born to bring us joy!

(Chorus)

Singing joy! Joy! Joy to the world!
For Jesus our Savior is born!
Joy! Joy! Joy to the world!
He is born to bring us joy!

(2)

A bright new star lit up the sky
The night that Jesus was born
To tell the world the Lord has come—
Born to bring us joy!
The wisemen, seeing the star that night,
Came running from faraway lands
To kneel before the baby boy—
Born to bring us joy!

(Chorus)

Singing joy! Joy! Joy to the world!
For Jesus our Savior is born!
Joy! Joy! Joy to the world!
He is born to bring us joy!

(Bridge)

Like the angels and the star
That testified that night,
I will sing and I will shine
So all can come to Christ!

(Chorus)

Joy! Joy to the world!
For Jesus our Savior is born!
Joy! Joy! Joy to the world!
He is born to bring us...

(Chorus)

Joy! Joy to the world!
For Jesus our Savior is born!
Joy! Joy! Joy to the world!
He is born to bring us...

Joy to the world!
Joy to the world!
Joy to the world!
He is born to bring us joy!

We Three Kings (Part 1)

(1)

We three kings of Orient are
Bearing gifts we traverse afar
Field and fountain, moor and mountain
Following yonder star

(Chorus)

O-oh Star of wonder, star of night
Star with royal beauty bright
Westward leading, still proceeding
Guide us to thy Perfect Light

(2)

Born a King on Bethlehem's plain
Gold I bring to crown
Him again King forever, ceasing never
Over us all to reign

(Chorus)

O-oh Star of wonder, star of night
Star with royal beauty bright
Westward leading, still proceeding
Guide us to thy Perfect Light

(3)

Frankincense to offer have I
Incense owns a Deity nigh
Prayer and praising, all men raising
Worship Him, God most high

(Chorus)

O-oh Star of wonder, star of night
Star with royal beauty bright
Westward leading, still proceeding
Guide us to thy Perfect Light

(4)

Glorious now behold Him arise
King and God and Sacrifice!
Al-le-lu-ia, al-le-lu-ia
Sounds through the earth and skies

(Chorus)

O-oh Star of wonder, star of night
Star with royal beauty bright
Westward leading, still proceeding
Guide us to thy Perfect Light

We Three Kings (Part 2)

(1)

We three kings of Orient are
Bearing gifts we traverse afar
Field and fountain, moor and mountain
Following yonder star

(2)

Born a King on Bethlehem's plain
Gold I bring to crown Him again
King forever, ceasing never
Over us all to reign

(Chorus)

Star you're so wonderful, you light up
the night
Star you're so royal and your beauty is
bright
You're westward leading, still you're
proceeding
Guide us to the light
We won't stop, Until we see the light

(3)

We three kings, forever we pray
To find a lamp that will save the day
Thru storm, thru night. I'll chase the
light, no matter how long it take

(Chorus)

Star you're so wonderful, you light up
the night
Star you're so royal and your beauty is
bright
You're westward leading, still you're
proceeding
Guide us to the light
We won't stop, Until we see the light
(Chorus)
Star you're so wonderful, you light up
the night
Star you're so royal and your beauty is
bright
You're westward leading, still you're
proceeding
Guide us to the light
We won't stop, Until we see the light

Angels We Have Heard on High

Angels we have heard on high,
Sweetly singing o'er the plains,
And the mountains in reply
Echoing their joyous strains.
Gloria in excelsis Deo.
Gloria in excelsis Deo.

Come to Bethlehem and see
Him whose birth the angels sing.
Come, adore on bended knee
Christ the Lord, the newborn King.
Gloria in excelsis Deo.
Gloria in excelsis Deo.

Shepherds, why this jubilee?
Why your joyous strains prolong?
What the gladsome tidings be
Which inspire your heavn'ly song?
Gloria in excelsis Deo.
Gloria in excelsis Deo.

See him in a manger laid,
Whom the choirs of angels praise.
Mary, Joseph, lend your aid
While our hearts in love we raise.
Gloria in excelsis Deo.
Gloria in excelsis Deo.

I lived two lives, tried to play both sides
But I couldn't find my own place
Called a problem child 'cause I got too
wild
But now that's how I'm getting paid,

I'm done hidin', now I'm shinin' like I'm
born to be
We dreamin' hard, we came so far, now
I believe

We're goin' up, up, up. It's our moment
You know together we're glowing
Gonna be, gonna be golden

Oh, up, up, up. With our voices
Yeong-wonhi kkaejil su eobsneun
Gonna be, gonna be golden
Oh, I'm done hidin', now I'm shining
Like I'm born to be
Oh, our time, no fears, no lies
That's who we're born to be

Waited so long to break these walls down
To wake up and feel like me
Put these patterns all in the past now
And finally live like the girl they all see

No more hiding, I'll be shinin' like I'm born
to be
'Cause we are hunters, voices strong, and I
know I believe

We're goin' up, up, up. It's our moment
You know together we're glowing
Gonna be, gonna be golden

Oh, I'm done hidin', now I'm shining
Like I'm born to be
Oh, our time, no fears, no lies

Take Down

Takedown, takedown
Takedown, down, down, down (HUNTR/X girls
to the world)
Takedown, takedown
Takedown, down, down, down (it's a takedown)
So sweet, so easy on the eyes, but hideous on
the inside
Whole life spreadin' lies, but you can't hide,
baby, nice try
I'm 'bout to switch up these vibes, I finally
opened my eyes
It's time to kick you straight back into the night
'Cause I see your real face, and it's ugly as sin
Time to put you in your place 'cause you're
rotten within
When your patterns start to show
It makes the hatred wanna grow outta my veins
I don't think you're ready for the takedown
Break you into pieces in a world of pain 'cause
you're all the same
Yeah, it's the takedown
A demon with no feelings don't deserve to live,
it's so obvious
I'ma gear up and take you down (whoa-oh, da-
da-da, down)
It's a takedown (whoa-oh, da-da-da, down)
I'ma take it down (whoa-oh, da-da-da, down)
It's a takedown (whoa-oh, da-da-da, down)
Take it down
It's a takedown, I'ma take you out, you'll break
down like, "What?"
It's a takedown, I'ma take you out, and it ain't
gonna stop

It's a takedown (whoa-oh, da-da-da, down, ooh)
Oh, you're the master of illusion

But they'll turn on you soon, so how?
How can you sleep or live with yourself?
A broken soul trapped in the nastiest shell

You can try, but you can't hide
It's a takedown, I'ma take you out, you'll break

gonna stop
I'ma cut you open, lose control, then rip out your
