Your roses still bloom

For My Friend Mary Anne Breazeale

By Michael Orr

Though time has gone steady,
In garden of green,
Through warm and cold weather,
And the soft in-between.
Each day you still labor,
Casting joy over gloom,
In the place of your steady,
Your roses still bloom.

Though scarred by the thorny,
Though tired of sowing,
Your hands are still steady,
Your garden still growing.
While you water and wonder,
If there's still enough room,
In the quiet of daily,
Your roses still bloom.

Through strong disappointment,
And seasons of loss,
Though buds lose their splendor,
And petals their gloss,
The roots stretch within you,
Though darkness may loom,
The winds softly whisper,
Your roses still bloom.

Through mountains and forests,
Through streams that you ford,
Your garden still prospers,
In the care of your Lord.
For the end of your story,
Is not in the tomb,
But a garden of glory,
Where your roses still bloom.
