Why Do I Still Feel Unworthy?

~ Romans 5:1-2 and other texts

Pastor Justin
December 07, 2025

Why do I still feel unworthy?

_____ is the belief that our value is conditional on closing the gap between who we are and who we think we _____.

- Romans 5:1 says “Therefore, since we have been made right in God’s sight by faith, we have peace with God because of what Jesus Christ our Lord has done for us. 2 Because of our faith, Christ has brought us into this place of undeserved privilege where we now stand, and we confidently and joyfully look forward to sharing God’s glory.”
- Peace is a result of being made right with God through _____
- Without faith in Jesus, peace and worthiness
 - ⇒ is conditional on your _____.
 - ⇒ Requires constant negotiations with _____ and your perception
 - ⇒ Leaves you impossibly responsible to try and _____ what you have done wrong
 - ⇒ It leaves you still fighting with _____, and that reality will constantly seep through the cracks into your life.
- The _____ faith asserts that your worth is an objective, unshakeable fact established solely by God: created in His image. And you can be redeemed by Christ, and secured for _____.

You can be justified, only by placing your _____ and _____ in Jesus.

Thank-you for your continued support.
