## ANNOUNCEMENTS

As 2025 comes to a close, we have a busy, spirit-filled month ahead! Don't miss our final events of the season, starting with the Last Women's Small Group. Prepare your hearts for the holidays with our Calm & Cozy Christmas event, and celebrate the season at our Christmas Worship Experience, where food will be served immediately following the service. We will then kick off the new year by looking ahead on Vision Sunday. It's going to be a memorable month here at LWTC!

## FAITH IN ACTION

What a wonderful month of connection and faith! A huge thank you to everyone who participated in the Women's Small Group, where we learned to focus on gratitude with our special "Thankful Jars." Our 2nd Annual Triumph Thanksgiving Potluck was a success, and we appreciate all the hands that helped decorate and the wonderful food you shared. We also celebrated important moments of faith with recent Baptisms and a Baby Dedication. We are so thankful for all God is doing!
