Subject:

A Seed to Make a Difference Campaign 🌱

Greetings Mt. Olive,

Just wanted to give an update on our “A Seed to Make a Difference” campaign. As of today, God has blessed us to raise over one-third (1/3) of our goal, and we are believing God to bring in the remaining two-third (2/3) before our campaign closes on December 31st. We are asking God to supersede our expectations.

What are we asking every member to do?

1. **To** keep our campaign lifted in prayer, believing that God will bring in more than enough. He promised He would do exceedingly, abundantly, above all we could ask or think.
2. **To** pray that God gives seed to the Sower, and that those He touch will have the heart and mind to sow into what He is doing in this time and in this season.
3. **To** continue to give as God leads you, encourage others who have been blessed by our ministry to join in, and stand in faith with us as we watch God move mightily on our behalf.

Thank you, Mount Olive, for your faithfulness, your commitment, and your seed. Together, we will make a difference!

With love and gratitude,

Bishop Donoval Miller
