Blue Christmas

Thursday, December 18th, 2025 at 6pm

First United Methodist Church

332 East 2nd Street, Casper

This special worship service is designed for those who are grieving, struggling, or seeking a peaceful Christmas worship service that honors the uncertainty and difficulties we and our world are facing.

All are welcome as we read the Christmas story, light the advent candles, and hear a message of hope and inclusion of all people in God's plan for our world.

The service will be led by Rev. Loren Boyce of FUMC Casper and Rev. Jessica Boyce of Whole Soul, a spirituality based, trauma informed life coaching program.
