Ambassadors of Reconciliation

Heavenly Father, grow us into effective ambassadors and co-workers to spread your message of reconciliation. As a result of Christ's gracious atonement for us, we pray that warring people groups and estranged family members will reconcile their differences against each other, and that unity in the Body of Christ will be evidence that You are at work among us.

More people, More praise

Lord Jesus, we do not lose heart! Lead us to those who are hungry for the word, who know they need rescue, who long for reconciliation. Through the ministry of AIM, let more and more people have more and more part in taking Your gospel to the Unreached. Give us stories to share, so that Your Father may receive more and more of the praise.

More confidence in Christ

Without faith it is impossible to please God. Remind us always that our confidence is in Christ, that our sufficiency is from You, who made us sufficient to be ministers of a new covenant. Increase our faith to believe You will accomplish all of this ministry that you desire for us.

AIM CANADA Values

The AIM Canada Family

reflects a wide range of backgrounds and experience. Yet God has knit us together to support and inspire one another in a common cause.

Gospel Centered

From our very beginnings when our founders journeyed inland, AIM has been dedicated to making the good news known in the hard places among those who have yet to hear. That passion is what moves us forward - from AIM's headquarters, across Africa, and around the world.

Incarnational

We live as believers in our host communities, walking in humility, building relationships, embracing learner attitudes, and learning local languages and cultures. In this, we strive to follow the model and teaching of Jesus, who became incarnate among us.

People of Prayer

We believe that our most effective work is done with bowed heads and humble hearts - upholding one another, our global ministries, and the lost. Prayer is foundational to all that AIM does and an intentional part of our daily work.
