## Warm greetings in Christ,

God's Servants Ministry would like to thank all its supporters and prayer partners for your unwavering support and faithful prayers over the past three months. Your generous hearts and continued partnership have helped us reach many lives and care for the most vulnerable in our community. Here is a brief update on what God has enabled us to do recently.

### SHARING GOD'S WORD

We continue to share the Gospel in our community. Our primary goal remains to bring more people to God through preaching, personal visits, and prayer ministry. Thank you for praying with us as lives are changed by His Word.

### A VISIT TO BABY ENELESS

We visited a baby named Eneless who was born with a cleft lip and cleft palate. Thanks to generous donations, she received corrective surgery and is recovering well. Praise God for this blessing and for everyone who contributed.

### FEEDING THE ORPHANS AND THE ELDERLY

Our feeding program continues to provide nutritious meals to orphans and elderly members of our community. Your support is truly making a huge difference in their health and daily lives. Thank you for enabling us to serve them.

### AGRICULTURE

To help sustain the ministry and feed those in our care, we continue planting maize and sweet potatoes and raising local chickens, goats, and rabbits. These projects are an important part of providing long-term food security for the children and elderly.

## SCHOOL FEES

God's Servants Ministry is so grateful to our our partners who are providing fees for secondary and college education. So far 5 college students and 10 Secondary School students have benefited from God's Ministry. Thanks to our partners.

## WATER FILTERS

The ministry provided water filters to the community to ensure that people have safe water for drinking. Thank you so much our partners for this support.

## NURSERY SCHOOL FOR OUR ORPHANS

- With generous donations we were able to purchase chairs, books, buckets, and other essentials for our new nursery school for orphans. We are grateful to Pastor Corey and the entire congregation for their faithful support.

- The school has opened and is already serving children in need. Please pray that God will grant wisdom, provision, and strength so we can continue running and expand this vital ministry.

## FENCE AND PRAYERS

We have begun building a fence around our property to protect the children, the livestock, and the facilities. We ask for your prayers and continued support to complete this important work of protection and security.
