Dear pastors, churches, and brothers in the faith:

Grace and peace be to you from our Heavenly Father and the Lord Jesus Christ.

We continue in evangelism by the grace of God, preaching the gospel of the grace of our Lord Jesus Christ to lost souls.

This month we are moving forward with the construction of the facility with the backhoe. It looks very good, an excellent space and a beautiful view in the background. There is still much to be filled. We pray for the provision of our good God.

We have a building project for the church, and we want it to be a great blessing for the Baptist churches in the north of the country for camps. We trust in the Lord that He will provide for us. We ask that you consider participating in prayer and financially in this work of grace. I have had the opportunity to preach the gospel at the police station and spoke with a teacher with whom we could coordinate so we could preach to the students of the nearest school. Please keep it in your prayers.

We had to overhaul the church bus. We still need to repair the brake discs and brakes, but God has been good by providing us with \$1,500 from Brother Perry Williams of North Carolina, whom we deeply thank. It has been a great help because the cost has exceeded the \$1,500 we thought we would spend, but God always provides for his work. We ask for your prayers for the church building project and to finish paying for the repair of the church bus.

I ask for your prayers for my wife's pregnancy, which is now six months along. May all go well with her and our baby.

Prayer requests:

- Pray that God will provide the funds to install electricity, water, build bathrooms, and begin construction of the building.

Thankful for your love, prayers, and financial support.

With much love and gratitude, Familia Martínez Mejía
