FUNDAMENTAL INDEPENDENT BAPTIST CHURCH OF TARLAC | INDEPENDENT BAPTIST MISSION FOR ASIANS

Dear Pastor and Friends,

Greetings in the name of our Lord Jesus Christ.

Another milestone, bigger ministry, large responsibility, bigger commitment are blessings for this last quarter of this year 2025. God has been good to us, Four months of construction of our 4th church. Bible studies, soul winning, discipleship, visitations, children street teachings, and other ministries and now... God bless us in this new mission church, God saves souls and all the people in this village amaze on how God is faithful to us.

Another beginning of a missionary journey, our daily routine is to pray for the new contacts, bible studies and to encourage our new members to continue serving the Lord. Most of the people in this village their works are rice and sugarcane farming. They just receiving \$8 for a day compensation meaning this community are poor, and what we are doing is feeding them after our worship service, both adult and children. We have 24 visitors in our first service in our new mission at San Bartolome and almost all of them accepted Jesus Christ as their Lord and personal Savior. Our prayers for them is to continue on their faith, and be mature in their spiritual life.

I'm still the senior pastor of the third church, our morning worship service is doing there, and the afternoon service is in this new church. Every Saturday our adult and even young people members are come with us in visitations and soul winning, they enjoying our time to evangelize this village because I challenge them to do that the greatest thing in this present world is to serve our King and Lord's of Lord. I'm truly bless to have workers in the church love lost soul to win for God.

Preaching in two Churches, traveling from one place to another, bringing the good news, the word of God to those who are lost and thirsty, and because of these, other religion working hard to hinder us, persecuting our children's center, and some of our young people now are not attending in our services because they trying to get their attention using community power as worldly things influence them to leave ur ministry.

My wife Juvy, and young people (youth) they are in-charge in our children ministry, we have 5 centers 35 to 50 kids every Sunday in our Sunday school because the souls of these children are precious in the sight of God.

Church, friends, thank you so much for your unending prayers and financial support in this ministry, you are always in our prayers, God bless you all.

In Christ Service,
