BIBLE BACK IN BUSINESS

3 B MINISTRY

The Bible Back In Business Ministry is a network of Christian businesses dedicated to integrating Christian principles into business practices. Our mission is to unify businesses to further the kingdom of God by providing a vast network of spiritual, financial, and organizational support. We aim to support our members through an online business directory, workshops, business plan development, social media and marketing services, website and SEO assistance, and access to grants and financing.

This directory lists businesses owned by New Jerusalem Baptist Church members. Inclusion does not constitute an endorsement or guarantee of service by New Jerusalem Baptist Church members. All business relationships and transactions are solely between the customer and the business entity. New Jerusalem Baptist Church members will not mediate any disputes regarding customer service or payments.
