

# *Pursuing the Person of Wisdom*

Week 7 - The Word of Wisdom

*December 21st, 2025*

**When we hear words about the truth of God  
it is His REVELATION to us.**

***Christmas reminds us of His particular Revelation through  
His INCARNATION.***

## *Christmas in John 1:*

- "In the beginning was the WORD..." (Genesis 1:1-3; Proverbs 8:22-31)
- "...the WORD became flesh and dwelt among us."

### **Athanasius defended the truth:**

1. The Word eternally pre-existed Creation.
2. There was never a time when God didn't possess wisdom.

- To all who receive and believe the WORD, God gives the right to become children of God.

**Jesus is the Person of Wisdom**
