ZION UNITED CHURCH  
OF CHRIST

January 2026

## Pastor's Letter:

Hello Church!

A new year is upon us!

The new year makes me think of Ecclesiastes chapter 3. "For everything there is a season..." And with a new year, full of new possibilities, only God knows what the future holds.

I'm wondering, as I think about all of the wonderful people who are a part of Zion UCC: **what are your dreams for the year to come?**

What are your personal dreams?

What are your dreams for your family?

What are your dreams for your community?

What are your dreams for the church?

I love when people take time to dream together. And as you dream, keep God in that conversation. Turn your dreams for the future and your prayers into a conversation with God.

Praying isn't always just going through a prayer list of requests, apologies, grievances, and woes. Prayer is a conversation with God. So loop God in on all of your dreams. Talk to God about what you hope to see. Let God be a part of the conversation.

As that prayerful conversation between you and God grows, I think you might find that God will weigh in on your dreams.

God might just open up doors that didn't want to open in the past.

God might redirect you if your dreams are a little misguided.

God might encourage you if your dreams are good and right.

God might just show up in a way that you don't expect if you turn your dreams into a prayerful conversation.

Friends, in this new year, my hope is that your dreams (at least the good, holy ones) begin to come true. And I hope that every dream, every step, and every action, is taken with God by your side.

Be blessed, Church. And Happy New Year!

*In Christ's love,  
Pastor Elizabeth*
