Bringing the Gospel to the 99

Dear Partners in the ministry!

As Thanksgiving approaches, we are overwhelmed with gratitude for God's faithfulness and for your partnership in the gospel. What a joy it is to serve the Lord together with you!

A Blessed Thanksgiving

This Thanksgiving season holds special meaning for us as we celebrate God's goodness in so many ways. We are thankful for each of you and your faithful prayers and generous support make our ministry in France possible.

Welcome, Sophia!

We are thrilled to announce that God blessed our family with the birth of our daughter, Sophia, on November 11th! Both Priscilla and baby are doing well, and Timothy is enjoying his new role as big brother. We praise the Lord for this precious gift and for His protection over our family.

Church Building Update

The remodeling work at our church meeting space is now complete! However, we are currently waiting for the city of Aix-en-Provence to grant us authorization to begin holding services there. Unfortunately, this administrative process can be quite lengthy in France. **Would you please pray that the Lord would open doors and expedite this approval?** We are eager to begin gathering in our new location, but we trust God's timing in this matter. This has been weighing on our hearts so please pray fervently that we will have the opening before Christmas.

The Lord Is Working!

We have been witnessing remarkable movement in the hearts of several unbelievers we have been praying for and reaching out to:

A. is the wife of one of our church members—the brother we baptized this past May. She has consistently been cold toward the gospel and has refused every invitation we've extended for fellowship. She has been openly opposed to her husband's faith. But this week, something unexpected happened: she reached

out to us asking to meet for coffee! The change in her demeanor was striking. She opened up about deep and painful experiences in her life, and the walls she had built seemed to come down. While she shared that she needs time, she expressed her desire to take this first step toward us and said she would one day come to church with her husband. I was able to challenge her to consider how God can mend what is broken in her life and bring healing. Please pray that the Lord would continue this good work in her heart.

P. is a homeless man whom I and one of our ladies have been ministering to regularly. He attended one of our services recently and has been receptive to the gospel. We continue to encounter him in the streets of Aix and share the good news with him each time. Pray that God would work in P. to bring him to saving faith in Christ.

C. and R. are a couple who came to one of our services through a connection with one of our ladies. They stayed for the fellowship meal afterward and were very open to conversation. We are praying for opportunities to continue building relationships with them and serving them as we share Christ.

As always, thank you for your prayers and support!
