*Wait on the Lord: be of good courage, and he shall strengthen thine heart: wait, I say, on the Lord.  
Psalm 27:14*

November 24, 2025

Dear Pastor & Prayer Force Friends,

**Greetings** from Cortland, Ohio\*, where most of the leaves have fallen off the trees. We have enjoyed the glorious autumn foliage through this fall season.

Because of the **Big Question** we are constantly asked... No, our property in Brazil has not yet been sold! Interested party #1 (the Messianic Synagogue) has had someone looking at the property three times. The last time, a whole group of 10 adults were there. They have not given us an answer. (Brazilian culture dictates that it is unkind to say no. So, they don't say anything.) Interested party #2 appeared. It is a Christian day school, interested in putting a branch in our neighborhood. A couple looked. Their offer was very low and they did not pursue. We need wisdom. We also need a serious buyer! With money.

This is not a **great time politically or economically** in Brazil, and we try to take that in consideration. But, we know that the Lord does not depend on the political or economical climate. When it is His Time, it will be sold. The hard part is waiting.

One of our daughters and family will be joining us for Thanksgiving. So, we are thankful that 25% of the family can be here with us! Even a little time with part of the family is precious. We enjoyed seeing 3 of the girls and their families in late September.

Robert continues working on his book, ***Silhouettes of Messiah in the Old Testament*** and it is coming along. Although he wrote his *Messianic Family Haggadah* (Passover Ceremonial book) years ago, this is a completely different kind of book, and there has been a learning curve, from WordPerfect to Microsoft Word (*with Hebrew!*). The better shape the manuscript is in when he hands it to his Sister-the-Editor, the easier it will be for her. And meanwhile, she has given orientation and guidelines as to how he should proceed, turning messages plus research into readable text. Rachel Overton is indeed a professional editor and it is a big help to have her not only in the family, but geographically located 3 ½ miles away! We bribe her with homemade bread and other treats from time to time.

Jane has been teaching the Ladies ABF (Adult Bible Fellowship) class for ladies at Huntsburg this quarter. The theme is Contentment, based on a book by Juanita Purcell, an RBP publication. I think the Lord knew she would need these reminders as much as the ladies with whom she is sharing.

*Yesterday we enjoyed the Thanksgiving Fellowship meal* at Huntsburg Baptist Church, our home church. Our contribution to the meal was 8 pounds of mashed potatoes! We definitely worked on it together. Jane is the peeler. Robert is the masher and handler of heavy pots. (We also work together on homemade bread, when we make it. Jane puts it together. Robert kneads it, as Jane is no longer able to do that. And he does a better job than she ever did!!).

This past Saturday, the men from the *Vida & Paz* (Life and Peace) Baptist Church attended the annual Men's Retreat in Rio de Janeiro. There were over 60 men represented from five churches. We received a lot of pictures and comments!

May you have a grateful Thanksgiving, as you reflect on the Lord's blessings in your life.

For Messiah and Praising the Lord,

Robert & Jane

\*Cortland, Ohio is located just north of the Warren/Youngstown area. We are located between some main, very used routes (I-80 and I-90). We are just a couple of miles from State route 11, which looks like an interstate and connects I-80 and I-90. Ohio 11 is the easternmost north-south "big" highway in northeast Ohio and follows the Pennsylvania border closely. So, if you are out this way, or passing through, please feel free to stop in. We have two guest rooms which are empty most of the time and we love company!

*So keep praying. We will keep you informed.*
