

Training New Leaders

We're seeing tremendous momentum in leadership development! Our gateway event for meeting new pastors and ministry leaders is the *Encontro LIDER*—a one-day event lasting 4-6 hours where we offer multiple training sessions focused on practical ministry solutions. We cover topics such as communication, discipleship, systems and processes, and finances. Since 2020, **we have trained over 3,000 people** through these one-day events. That's 3,000 leaders now better equipped to reach their communities with the gospel!

This past month, we held our first-ever *Encontro LIDER* in the city of Pelotas in the state of Rio Grande do Sul. This opens the door to a new region of Southern Brazil that borders Uruguay and Argentina. **New territory means new opportunities for the gospel!** Please pray for these pastors and churches as we come alongside them to see the gospel advance throughout Southern Brazil.

Celebrating New Life in Christ

One of the most exciting highlights over the last few months was the celebration of 48 new believers who were baptized at Bethany Church in the city of São Leopoldo! Pastor Matheus planted this church and has worked tirelessly to make disciples and engage the local community with the gospel. Here's what makes this so encouraging: his church has grown 30% each year over the four years, and this young church has already planted a daughter church in a nearby community.

is the multiplying impact of the gospel at work—
you're part of it!
