STATEMENTS/IMPERATIVES/COMMANDMENTS IN MATTHEW:

The following is a list of imperatives/commandments that Jesus spoke to His disciples in Matthew; the New Testament uses indicative statements when discussing what God has done, is doing or will do. Imperative statements are used when saying what we should do. It is important to realize, not only that both moods are present in the Bible, but that there is a specific relationship between these two moods in the area of sanctification. Namely, what God commands us to do (the imperative) is based upon what HE has done, is doing or will do (the indicatives). God is signifying by this consistent pattern that sanctification depends on God, but involves human volition and cooperation. The gospel of Matthew:
