### Greetings from Pastor Anna

**"Blessed be the Lord, who has not let us be prey for their teeth. Our help is in the name of the Lord, the Maker of heaven and earth." – Psalm 124: 6 & 8**

The 'ber months are upon us. Or as some would say, the burr months, since we have experienced the first snowfall of the season and the first below freezing temperatures.

We are still gnawing on the leftover Halloween candy as we prepare to celebrate Thanksgiving with our friends, family and community. On November 30<sup>th</sup>, the season of Advent begins. A time in which we come together to worship and wait for the celebration of the birth of a Savior. The Savior who has already come and still yet will come again in glory.

Take a moment this November as you come in from the cold and join others at the table. Thank God for the warm house and the abundance of daily blessings we enjoy and praise God for the help and salvation he has given to you in Jesus.

Join us every Sunday at 9:30 am to usher in the Season of Advent, on Christmas Eve for the candlelight service, and into the Christmas Season. May our eyes and hearts be filled with memories, both old and new. In all, may we witness to the bountiful blessings we have received through Christ Jesus our Lord and Savior, *maker of heaven and earth, author of all things meant to grow and strengthen us in our knowledge of Truth.*

*Sincerely  
Happy Thanksgiving  
Pastor Anna*

Hello friends.

This is not the update we were wanting to share, however, the family would like everyone to know that our lovely lady, Kelly Marie Hayhurst-Amos, is being released tomorrow from Cleveland Clinic and will continue Hospice care in her parent's home. ❤️ Kelly is now on comfort measures and her family will be loving on her for the remainder of her time with us. ❤️ We would like to thank you all for the love, support and prayers during Kelly's journey. ❤️ Kelly has been overjoyed with all of the wonderful people that have shown her kindness and compassion. ❤️

One thing she has expressed to me is she has strengthened so many of her relationships with both her family and her friends, that is a true blessing! ❤️ She has not been able to answer any texts or voicemails since beginning radiation several weeks ago. ❤️

Those close to her have shared your thoughts, messages and prayers along the way. ❤️ During this difficult time, the family is now requesting some privacy and will be limiting visitors, as they have a short time to love on their girl. ❤️

Please continue to keep Kelly, Roger, Eliza, Beanie, Evelyn and her whole family in your thoughts and prayers both now and throughout the holidays. ❤️ If you could do anything; maybe share a picture, post a memory or change your profile picture in support of Kelly. ❤️

When those thoughts of her come to your mind... Speak her name out loud, her life deserves to be celebrated! We are forever [#KellyStrong](#) ❤️ ❤️
