- Heal them Lord from all disappointment let downs from their government leaders, Church leaders, family, etc.
- We forgive them all
- Not much time left - God will judge the wicked
- We wish NOMAN in Hell
- Increase them Lord in 2026

- Supernatural provision in all areas
- Faith to see miracles + to believe you for the impossible.

- Prophetic - give them dreams + visions to be led by you, let them hear your voice very clearly to know your will + direction.

- Help them settle in their heart that they love you MORE than this earthly benefits, House, car, family, memories, Country, their own image + destiny. Help them to know it's @ your Kingdom + purpose in the Earth. We are here only but for a short amount of time.

WE CANNOT WASTE ANY MORE TIME! WE MUST PRAY!

- Increase their praying in tongues. If they've never been filled w/ the Holy Ghost, fill them now from top of their head to the soles of their feet! This is a spiritual warfare weapon! Devil cannot interpret at all! Now!

- Heal their bodies of any sickness, infirmity or spirit of death trying to grab them + take them out of God's will early! Heal them from top of their head to soles of their feet!

- We plead the blood of Jesus over our temples, + our souls, minds + spirit. We ask you Lord to remove all toxins, spoils, chemicals, metal, invaders out of our temples + mind. Restore our minds from the attacks of man's technology + harm. Heal our bodies from the harmful products they put in our food, spray our skies, put in water, air, etc. We live in a toxic world. We must be in your dome to finish this mission! We need your supernatural covering + new cloak to enter into death. This cloak is a dome that surrounds us! A shield @ us! A covering that only you can give! We walk IN you! We lift our hands now + receive this armor in the spirit as we walk forward into death! We will not look back like Lot's wife @ all the things we left behind...

- all our friends + loved ones who chose Sodom
- Our memories in the country we loved
- The life we hoped we would have had
- Our children who are trapped in the city
- The sounds + vibrations of the destruction we fear behind us as we go forward in an alone place w/ God + his angels.
- leaving the familiar comfortable places going to the unknown unfamiliar by a

- We plead the blood over them that no weapon formed against them shall prosper! No spells, incantations or curses spoken against their lives or destinies shall prosper! No demon can hinder their progress or journey w/o God's permission & God's eye on them! We trust you Lord no matter the decisions they make every person must choose you out of their own free will.

- Lord we all pray for the Body of Christ going into 2026 - that you help her to see the truth & come out of the delusion. Help her to come together in a true Holy Unity! Help us to encourage one another as we go into our final battle before we all enter into eternity.

- Help us to walk in love & forgiveness

- Help us to be @ the Great Commission more in 2026

- Laying hands on the sick

- Witnessing to others @ need for Jesus

- Helping the Poor

- We pray for all the Church that is suffering out there. Help them to keep their faith & to lean into you in their suffering.

~~Help your~~

- Help your Bride to journey for race w/ grace. It's not how you begin, it's how you finish! Help her to be victorious beyond measure! Let us go out of here occupying til you come! Help us to be used by you no matter where that leads!

- Help us not to turn into a hard salt
- Lord we plead the blood of Jesus over our property + possessions. We give it all to you. We do not hold so tight that it pulls us away from you + your will. We know you GIVE + you TAKE away. Nothing we have is ours. It's all yours. Help us to take our hands off the wheel + trust you with it. We are grateful + thankful for all we've had + been stewards over. It's all yours! Do as you please.

- We plead the blood of Jesus over our children, spouses + loved ones. We come in agreement w/ Heaven today that ~~all spirit~~ your will be done in their lives. We know Lord that sometimes we get in the way of your judgment to them + can actually hinder them from depending on you instead of us solving their problems. Help us to let them go to your hands + allow them to suffer + to be "handed over to Satan to buffet them". Help us to trust in YOU when we see them making bad decisions + experience the consequences of it. Help us to not reach in there + try to save them + protect them all the time to their own hurt + peril. If they can never discover that you are their God instead of us, it will hurt them in the long run. Help us to let the baby birds go out of the nest to fall + fly and learn who their creator is + begin to learn their identity before you. Help us to LOVE YOU MORE as we trust.
