Prelude

***Call to Worship**

P: Shout to the Lord your praises!

All: Sing to the Lord the joy of this day!

P: For God's might and power are established in the universe!

All: God's transforming love beckon us.

P: Come, let us worship God whose Light bursts forth into our darkness!

All: Let us praise the God of salvation who brings us home. AMEN.

Opening Prayer

God of hope and light, your good news has been emblazoned across the skies, the great starry night of Jesus' birth, sung by angels, celebrated by shepherds, witnessed by animals. You have given to us a new chance, a reminder of your continual love for us. Be with us in this worship, we pray. Guide our thoughts, our lives, our spirits. Heal and restore us. For we ask this in Jesus' Name. AMEN.
