WORSHIP THROUGH SONG

RELEVANT FAITH MINISTRIES

WORSHIP THROUGH THE WORD OF GOD

Isaiah 43: 18-19

Sermon Scripture

Isaiah 43: 18-19 NLT

18 “Forget the former things;
do not dwell on the past.

19 See, I am doing a new thing!

Now it springs up; do you not perceive it?
I am making a way in the wilderness
and streams in the wasteland

SERMON

Today's Message:
“It's Going to Happen”

Sermon Points

- I thank God for my past but I thank you for what you are about to do
- Loose the tragedy but keep the testimony
- The testimony was not about you
- Do not forget about what you have been through but move forward

Sermon Points

- Things will start to get uncomfortable for you when God wants to grow you. He has to make room for you in new areas in your life. Areas you did not fit in will be open to you.
- Do not let your captivity block God's capability. Even if it does not look like it, God is already working on it. He has done it before.

Sermon Points

- He does not wait until they are out of captivity to tell them that it is going to get better. He tells them to have hope and praise Him through the trials
- He is the same God that did it before
- It's Going to Happen - He will create in you something that has never happened before
