# Let's Study the Bible Together!

I am really excited for the month of September! This is the month that we start our church journal & reading plan! I'm looking forward to studying through the Bible together as a church family. If you haven't had a chance to swing by the church and pick one up, please do! Don't worry about starting late.

We also have our Sunday School Kick-Off Party coming up on the 6th, come fellowship and enjoy watching a movie together outside! Then later in the month we are participating in the Highway 36 Garage Sale. Now is the time to start decluttering at home to donate items to sell. We will also be offering breakfast and a take away lunch while the Garage Sale is happening.

For 6 weeks, October 7-November 11, 2025

In the church Library (Just inside the Fellowship Hall doors)

Whether you are new to the Bible or have been studying the Bible for years, How to Study the Bible is designed to help women develop the skills needed to study the Bible not just for now, but for a lifetime. Through this 6-week course, with videos by Bible teacher Kaye Geiger, participants will learn practical Bible study skills to help them grow in their understanding and application of God's Word. No previous knowledge is needed—this course is for every woman who wants to gain everyday skills for a lifetime of enjoying the Bible!

Each participant will need a workbook, which we will need to order by September 23.
