MISSION

To lead and inspire people to become **fully devoted** followers of Jesus. That's it!

VISION

To be a community of believers that is **radically** devoted to Jesus, **passionately** committed to one another, and **relentlessly** focused on reaching those who have not yet decided to follow Christ.

STRATEGY

To create **simple environments** where everyone's welcome because nobody's perfect and anything's possible. That includes spending **Sundays** with Jesus, attending **small groups** together, and community outreach.

We've designed an easy, 3-step process to help people on their journey to discovering Starting Point and becoming fully devoted followers of Jesus:

1 Newcomers' Pizza

2 SP101 & SP201 Classes

3 Volunteering Together

Our Approach to Ministry

"For too long evangelicals have emphasized the Word over the Spirit, while charismatics have emphasized the Spirit over the Word. But the Word and the Spirit belong together.

The following saying is a handy summary:

If we emphasize the Word without the Spirit, we **dry up**.

If we emphasize the Spirit over the Word, we **blow up**.

If we hold the Word and the Spirit together, we **grow up**."

We are so excited about the possibility of you choosing to do life with us!
Please let us know if you have any additional questions, needs or prayer requests.
May you be richly blessed as you grow in your faith.
