# A Year of Formation

BEING TRANSFORMED INTO THE  
IMAGE OF CHRIST

# Core Theme

## FORMATION: BEING TRANSFORMED INTO THE IMAGE OF CHRIST

Formation is the lifelong process of being shaped into Christlikeness through intentional surrender, discipline, and obedience.

“For those whom He foreknew He also predestined to be conformed to the image of His Son...”

—Romans 8:29

“Beloved, we are God’s children now, and what we will be has not yet appeared; but we know that when He appears we shall be like Him...”

—1 John 3:2

THIS YEAR, GOD IS NOT RUSHING US...HE IS REFINING US.

# We believe the Lord is declaring that 2026 is not merely a year of activity but a year of formation.

Formation is not behavior modification.

Formation is **transformation**.

**"Do not be conformed to this world, but be transformed by the renewing of your mind..."**

**-Romans 12:2**

This is a year where God is not only concerned with what we do, but who we are becoming. Heaven is inviting us into a deeper partnership one that reshapes our inner life, renews our thinking, and aligns our practices with God's eternal purpose

**This guide is designed to help our church walk intentionally through the year anchored in Scripture, aligned with the Spirit, and committed to lasting transformation.**

# WHAT WE ARE COMING OUT OF

- Sensitivity without discernment
- (Being led by emotion rather than truth)
- Fragile worship
- (Worship based on feelings instead of love and reverence for God)
- Error that produced fruitless seasons
- (Cycles without clarity, effort without yield)
- Patterns that worked against fruitful living
- Unimaginable spiritual and emotional debt
- Unforgiveness hidden beneath routine
- Errors in teaching, ministry function, and operation
- Distorted perceptions shaped by generational myths and falsehoods

# **2026 is a year of concentration, clarity, and spiritual alignment.**

This is a season where clarity is not accidental it is cultivated. As our eyes become fixed and our hearts become undivided, the fog lifts and direction becomes unmistakable. The Lord is sharpening discernment so that His people are no longer led by impulse, emotion, or urgency, but by truth and conviction. This year demands intentional stillness before God so that every step forward is rooted in wisdom, not reaction. We are learning to pause, pray, and move with heaven's timing rather than the pressure of the moment.

## **THIS IS ALSO A YEAR OF NEW SPIRITUAL INFRASTRUCTURE SYSTEMS THAT CAN SUSTAIN WHAT GOD IS RELEASING.**

Formation requires more than desire; it requires structure. God is rebuilding habits, rhythms, and disciplines that support long-term fruitfulness. Daily and weekly spiritual practices are not optional in this season—they are foundational. The Lord is forming a people who are disciplined in private before they are trusted in public. As spiritual infrastructure is established, excuses lose their power and personal responsibility rises. The era of blame is fading, and ownership is being restored. God is producing believers who take responsibility for their growth, their obedience, and their intimacy with Him. This is not a year for comfort—it is a year for commitment.

This is a year where faith will produce visible fruit. Dominion flows from surrender, and wisdom outweighs impulse. Those who submit to the forming process will walk in measurable authority, lasting freedom, and supernatural influence. This is the year where obedience becomes evidence, stillness becomes strength, and formation leads to transformation.
