

**The Anglican Diocese of Calgary – Annual Return
2026
Property and Content Insurance**

Parish: _____

City: _____

Deanery: _____

- We certify that we have received and read the Cover Notes of Insurance for our parish property/properties produced by Navacord Insurance Services Inc. (formerly Lloyd Sadd Insurance Brokers.)
- We certify that the insurance values are both sufficient and appropriate.
- We acknowledge our responsibility to inform the Diocesan Office of any changes to our property or the contents therein that may affect insurance needs or amounts.
- We agree that the amount of coverage for contents is reasonable.
- We have conducted an appraisal of the building and contents in the previous **three** years. If this has NOT been done, we are arranging to do so and inform the Diocese of the completion date.
- We have conducted an *informal assessment* (with a realtor or other professional) to give a basic idea of replacement cost of building(s). (This does not include contents)
- We have added any new items purchased/donated since last formal appraisal to the total value of contents and have advised the Diocesan Office of those items.
