

Merry Christmas

Thank you for celebrating with us. We are so grateful you chose to spend your Christmas Eve with our church family. We hope this service has been a blessing to you as we celebrate the birth of our Savior.

If you are visiting for the first time, please stop by the Welcome Center before you leave tonight. We would be delighted to meet you and offer a complimentary gift bag as a token of our appreciation for joining us tonight.

The beautiful poinsettias adorning our sanctuary today are given In Memory and In Honor of Loved Ones. If you ordered a poinsettia, we encourage you to bring it home with you following the conclusion of tonight's service.

A very special thank you to
Bruce Nelson for providing the gorgeous
poinsettias and greenery.
