THE FIRST SUNDAY AFTER THE EPIPHANY:

O LORD, we beseech thee mercifully to receive the prayers of thy people which call upon thee; and grant that they may both perceive and know what things they ought to do, and also may have grace and power faithfully to fulfil the same; through Jesus Christ our Lord. *Amen.*

O God, who by the leading of a star didst manifest thy only- begotten Son to the Gentiles: Mercifully grant, that we, who know thee now by faith, may be led onward through this earthly life, until we see the vision of thy heavenly glory, through the same thy Son Jesus Christ, who with thee and the Holy Ghost liveth and reigneth, one God, world without end. Amen

Theology Glossary - Epiphany

This is holy day in which we as Christians remember how the three wise men were called to go and worship and present gifts to the newborn King and Savior. Vicar's Voice

Can you remember?

Imagine how chaotic our lives would be if we were not able to remember anything? **Think of the implications:** there would be no

learning or growing, and we would not be able to retain any knowledge of previous behaviour. Further, meaningful and lasting relationships would be virtually impossible. Though the sting of painful events would never linger, we would also never be able to savor positive experiences or identify with others who were experiencing pain and suffering!

The Scriptures “**remind**” us of the importance of **memory**. And, more importantly, that we never forget Who God is and what He has done. Jewish leaders still to this day place a band around their head -containing which holds the word of God. **This precious box**, enables them to remember the Word of the Lord.

As followers of Jesus, we are urged to ponder what God has done for us in our lives. One of the practical ways to help us remember is through the **memorization of scripture**. I will be forever thankful to my parents and aunt and uncle who encouraged me to commit to memorizing Scripture. Because of that discipline early on, I am able now **to recall helpful and meaningful Scriptures at most important times**.

Having a knowledge of Scripture helps us to see what God sees. And, as we read Scripture, we realize that there is a conversation taking place. God is speaking to us. If **we listen carefully, we can hear Him**. So, as we learn His word, it begins to take root in our lives. God draws it back to our minds such that we can have the opportunity to apply it at the appropriate time – whether it be a time of worship and praise, or as a means of encouraging us or other in a time of need, or even as we are making an important decision in our lives and are seeking God's wisdom and strength in that process.

The Scriptures anchor us. They remind us that **God is with us** and is able to ground us in this ever changing and increasingly chaotic world.

So, as I was encouraged, I encourage you. I wonder how your life would be impacted if you committed some verses to memory? My prayer is that as you learn more and more, **God would meet you there and teach you from His very heart**.

May the Word of the Lord always nourish you.

Rob+
