# A Message from Our Founder

In this Impact Report, we highlight how God has been using RenewaNation in 2025 to help thousands upon thousands of children develop a biblical worldview. **As we worked to put this report together, we were drawn to worship the Lord for all He has done.**

Eighteen years ago, God placed a vision in my heart and mind to transform culture by giving millions of children a biblical worldview. God created and loves children and wants them to know and live His truth. As we have been diligent about teaching children the truth, God has blessed this vine of His planting we know as RenewaNation.

Our mission is to inspire and equip the family, church, and school to give millions of children a biblical worldview. **We've discovered that when the family, church, and school teach God's truth together, they form a three-stranded cord that is not easily broken.** We are currently accomplishing our mission through four divisions of ministry: Christian Education, Church and Family, Manderley Christian Camp and Conference Center, and Manderley Farms. In this report, you will read about the significant growth and difference each of our divisions is making in God's kingdom.

From the very beginning of our existence, God has used RenewaNation as an awakening voice in the body of Christ. In the early years, our message about the importance of protecting children from Satan's lies and filling their hearts and minds with

God's truth in the family, church, and school was not as well-received. **However, with the great parental awakening that has taken place, our message is now being embraced in ways we never thought possible just a few years ago.**

There is no doubt that there is some level of spiritual awakening taking place in America right now. Many young people are moving toward Judeo-Christian positions in numbers that were simply unthinkable a short time ago. **I encourage you not to dwell on the doom and gloom in this world but to consider the great work God is doing.** Be encouraged that He often has better plans for this world than we give Him credit for. Yes, we know from His Word that judgment is coming, but throughout history, God has sent great outpourings of His Spirit, and whole nations were radically changed. *Let's ask the Lord to do it again!*

**Jeff Keaton**  
Founder & CEO

## God's Big Surprise for 2025

This past May, our Executive Administrator, Judy Ralph, mentioned that a beautiful brick office building was going up for auction just five minutes away from our then-current office. This piqued our founder's interest enough to drive by the building, and before the day was over, Jeff had taken a few of our team members on a field trip to tour it. Even though we weren't actively looking for a new office, our personnel growth and desire to host larger groups for on-site training events led us to look more deeply into this opportunity.

We discovered the building was 9,200 square feet, had been built just 11 years ago, and was in overall excellent condition. Though it had been on the market for 1.7 million, we were told it could be bought for considerably less. We then invited some of our local board members and financial partners to walk through the building with us. One person after another had the sense that we should seriously pursue the purchase of this building. In just ten days, six of our financial partners committed \$800,000 toward its purchase. After some discussion, the owners, who were excited to see a Christian organization purchase the building, agreed to sell it to us for 1.1 million.

On Friday, July 18, at the end of a board meeting, Jeff announced we had raised \$909,000 toward the \$1.1 million building purchase. With the closing scheduled for Monday, July 21, he told the board he was still trusting God to provide the remaining \$191,000 so we could close debt-free. Board member Bruce Smith closed the meeting in prayer, specifically asking the Lord to provide the funds by Monday. We said our goodbyes and ended the call.

Before the team could even stand up, our COO, Curtis Cornell, burst into the room with a FedEx envelope. In the upper corner was the name of one of our faithful ministry partners. Curtis asked if Jeff wanted to open it, and he quickly said yes. Inside was a check for \$200,000. Wow! We had a hallelujah celebration right there in that small conference room!

We are so thankful to God for this new office, which will enable us to more effectively reach children with a biblical worldview. However, God's primary gifts to us are the dedicated RenewaNation team members and the partners who support our mission with their prayers, finances, and other contributions. **God's people are His number one asset in accomplishing His mission on earth.** We are grateful and humbled by all of you who have felt God's call to join our great cause. Thank you!

# New Book Impacting Thousands of Families

We experienced another great act of God when a ministry partner covered the cost for 30,000 copies of Jeff Keaton's new book, ***Saving Our Children in a World Gone Crazy***, to be given out by The Collingsworth Family on their national tour this year. This has created many new opportunities for expanded impact for RenewaNation.

This book encapsulates the awakening message Jeff Keaton is sharing in speeches across the country. **We are receiving many wonderful reports on how God is using this book's message to awaken and inspire many parents and grandparents.** One school in Minnesota that scheduled Jeff Keaton to speak is ordering a book for every family attending the event. Another school ordered 300 copies to give to their families.

A gentleman from California wrote to us and said, *"Hello, I attended the Phil and Kim Collingsworth concert at Shadow Mountain Church in San Diego and was given a free book at the end of the concert. I've been reading Jeff Keaton's book, Saving Our Children in a World Gone Crazy. It is such a powerful read with so much insight on the responsibility us parents, grandparents, pastors, churches, and teachers have regarding the biblical worldview teaching to our next generation. I am interested in purchasing 15 copies."* Another man, who received a free book from a concert, called our office and wanted to order 100 additional copies.

A young mom posted on Facebook a picture of the book and then told a friend that her parents had received a copy at a concert and had purchased five additional copies for each of their adult children, who are currently raising 23 children.

Available in print, e-book, and audio:  
[shop.renewanation.org](http://shop.renewanation.org)  
[amazon.com](http://amazon.com)

**By the end of 2025, approximately 40,000 families will have this book in their hands or downloaded on their devices.** Let's assume that each of these families is connected to just three children, although there are likely many more when you include grandchildren. This means that those reading the book have a direct influence on the lives of 120,000 children! What could God do with these children if their families were motivated to lead them to Christ and give them a biblical worldview, as the book challenges them to do?

**We are praying to get this book into the hands of one million families raising children.** Would you pray with us for a great harvest from this resource? If you have read the book, please consider writing a review on Amazon and purchasing copies to give to other families in your community.

# Church and Family

**Our Church and Family Ministry Division is dedicated to inspiring and equipping church leaders, parents, and grandparents to give the children in their care a biblical worldview.**

**Dr. Josh Mulvihill**  
Executive Director

Our Church and Family Ministry Division is developing on many fronts and expanding its reach nationwide. We're training ministry leaders, creating resources for churches and families, and making a significant impact on the next generation.

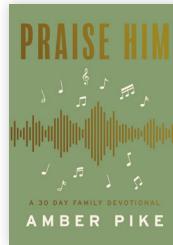

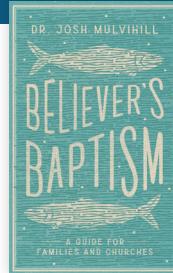

Dr. Josh Mulvihill and Amber Pike with their new books at the Children's Pastors Conference

## New Books and Curriculum

This year, we published two new books: ***Family Ministry: How Your Church Can Shepherd Parents and Grandparents to Make Disciples*** by Dr. Josh Mulvihill and ***Intentional Children's Ministry: How Your Church Can Disciple Children with a Lifelong Faith in Jesus*** by Amber Pike. These books are being used in churches across the country to revolutionize their ability to disciple the parents, grandparents, and children in their care.

We're excited to announce that two more books are coming soon. ***Praise Him: A 30-Day Family Devotional*** by Amber Pike will help families worship together at home, and ***Believer's Baptism*** by Dr. Mulvihill will help parents teach their children everything they need to know about salvation and baptism while involving their local pastor in the teaching process.

We also released a **new, biblically rich curriculum for churches** to use in their mid-week programs that is practical and helpful to teachers, parents, and students. A full year's worth of Sunday school lessons will be available by the end of this year.

**DOWNLOAD A FREE SAMPLE STUDY:**

## Training Ministry Leaders to Equip Families

Dr. Mulvihill's book, *Family Ministry*, is the foundational text for our nine-month online **Family Ministry Academy**. This year, we completed our third cohort and launched a fourth, **training ministry leaders who have 50,000 people in their churches**. As these pastors and family ministry leaders grasp the power of equipping parents and grandparents to disciple their children and grandchildren, our ability to give thousands of children a biblical worldview increases significantly.

Amy Kauffman, Family Ministry Academy Graduate

Amber Pike on the Bible Creative Online Conference

Dr. Mulvihill on the Strategic Renewal Conference Podcast

**Podcasts and Speaking Engagements**  
**Our team is reaching more people than ever through speaking and media appearances.** Dr. Mulvihill and Amber Pike have spoken at many conferences and churches, training ministry leaders, parents, and children's ministry workers. Dr. Mulvihill was a guest panelist alongside John Piper and continues to serve as the vice-chairman of the board of AWANA. His interview on Focus on the Family aired in September to millions of listeners.

Our podcasts are also growing in popularity. Amber Pike's podcast, **The Kidmin Huddle**, has nearly 11,000 listens, and Dr. Mulvihill launched a new podcast with his wife, Jen, this fall. **The Gospel Shaped Family Podcast** is focused on helping parents raise their children with a biblical worldview.

David Michael (Executive Director of Truth78), Mark Vroegop (President of The Gospel Coalition), Dr. Mulvihill, and Dr. John Piper (Founder of Desiring God)

## An Exciting New Addition

One of the most exciting developments this year is **RenewaNation taking leadership of the Christian Grandparenting Network (CGN)**. Founded in 1998 by Cavin Harper, CGN is the oldest Christian grandparenting ministry in America and has had a significant impact on grandparents across the globe. On September 1, it officially came under the ownership of RenewaNation and the leadership of Dr. Mulvihill and our Church and Family Ministry Division. We will maintain the CGN name and look forward to working with their team, led by Director Sherry Schumann, to continue equipping grandparents to pass on their faith to their grandchildren. To learn more, visit [christiangrandparenting.com](http://christiangrandparenting.com).

**Sherry Schumann**  
Director of CGN

**LEARN MORE ABOUT CGN:**  
[christiangrandparenting.com](http://christiangrandparenting.com)

## Opportunities to Get Involved

**Provide Scholarships:** \$50,000 for Family Ministry Academy scholarships.

**Volunteer:** Serve as an ambassador in your network or volunteer at events.

**Support the Christian Grandparenting Network:** Expand this ministry's reach by contributing:

- **\$10,000** to launch the CGN podcast.
- **\$60,000** to add CGN paid staff.
- **\$25,000** to develop new resources for grandparents.

**Fund New Curriculum Development:** \$50,000 to hire contract writers and complete the second year of our children's ministry curriculum.

**Fund New Resource and Program Development:** \$100,000 to publish books on family discipleship and marriage, and launch The ManCo. and The WomanCo. father/son and mother/daughter discipleship groups.

---

# Christian Education

**REAP (RenewaNation Education Advancement Program) inspires and equips Christian school administrators, teachers, and homeschool families to cultivate children's biblical worldview through Christian school launches and renewals, professional development, and scholarships.**

**Ron Gordon**  
Executive Director

Our Christian Education Division is making a significant impact on the Christian education movement nationwide. Through our founder's influence and speaking, our seasoned team of coaches, and our dynamic programs, we're inspiring and equipping educators to instill a biblical worldview in the next generation. **This year, we have worked with Christian educators who are training over 100,000 students each school day.**

## Launching and Renewing Christian Schools

We're passionate about helping Christian schools start strong and stay strong for maximum eternal impact. Our work in this area includes new Christian school launches and renewals.

**New School Launches:** Our coaches, bringing over 300 years of combined experience and a legacy of successfully starting 26 Christian schools, helped launch seven new schools this fall—and there are more on the way. Each launch team is guided by one of our expert coaches through ten modules that include 125 editable templates, covering everything needed to launch a successful school that is biblical and sustainable. In addition to our bi-weekly meetings for the first year, our coaches are available by phone for urgent needs. This is vital work, as each new school has massive potential to impact the worldview development of its students for decades to come.

Hope Christian Academy Ribbon Cutting Ceremony

One of the most unique launches this year was a new Ukrainian Christian school in Lexington, Kentucky, led by Victor and Zoriana Selepina. This school provides a Christian education to over 70 children, including those displaced by the war. It is supported by a wonderful local church with a vision to give many children a biblical worldview.

**WATCH A TV INTERVIEW  
HIGHLIGHTING HCA'S  
FIRST DAY OF SCHOOL:**

First Day of a Hope Christian Academy Kindergarten Classroom

Jeff Keaton (middle) with Victor and Zoriana Selepina (HCS)

**School Renewal Program:** Twenty-four Christian schools have completed our renewal program, and we are currently serving 11 schools, reaching over 3,000 students, with more schools preparing to join. Our mission is to help every Christian school reach their highest potential so that their students graduate with a well-developed biblical worldview, prepared to impact the world for the glory of God. To achieve this, we send in a team to conduct a thorough assessment, help each school develop a new strategic deployment plan, and provide them with ongoing coaching for three years. This deep and lasting work ensures the entire school is operating from a biblical perspective.

*"Our relationship with RenewaNation has opened the eyes of our board members, administration, and staff to what it really means to have a biblical worldview and integrate this into the classroom. Partnering with RenewaNation has given us a support system to remind us that we aren't alone in the fight for biblical truth. Under the guidance of RenewaNation, we are moving toward the goal of providing students with a biblical worldview education that emphasizes scholastic rigor and life readiness. Their encouragement, guidance, direction, and wisdom have been and will continue to be invaluable to us!"*

(Agape Christian School, a RenewaNation Renewal School)

## Inspiring and Equipping Educators

We're consistently working to develop new resources to equip educators and thought leaders in the Christian education movement.

**Training and Development:** Our team has been involved in **numerous in-person and online training events for teachers, board members, and parents** across the country. In the future, we look forward to hosting training events in our new office building, beginning in the fall of 2026.

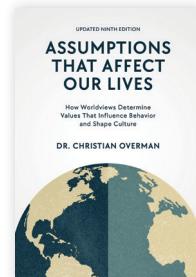

**New Podcast:** Education thought leaders Ron and Tonya Gordon will launch a new podcast this fall called **Education by the Book**. It will focus on equipping and encouraging teachers, school leaders, and homeschool educators to teach the next generation with a biblical worldview.

Ron and Tonya Gordon on the Education by the Book Podcast

**New Development Resource:** Our new **SEED program (Spiritual Equipping and Education Development)** provides Christian schools access to practical, monthly biblical worldview training for ongoing professional development.

**New Books:** Our team released the updated ninth edition of **Assumptions That Affect Our Lives: How Worldviews Determine Values That Influence Behavior and Shape Culture** by Dr. Christian Overman. This book helps readers look beyond surface-level values and actions to examine the core beliefs that truly shape their worldview. It's a valuable resource for educators who want to focus on developing their students' biblical worldview.

**Ron and Tonya Gordon are writing two new books** to help Christian educators truly understand what it means to lead and teach from a biblical perspective. One book, by Ron, is for leaders, and the other, by Tonya, is for teachers.

## Student Scholarships

We believe that every child should have access to a Christian education, and our scholarship program is working to make that a reality.

**Impactful Scholarships:** This year, we have been privileged to provide scholarship funds to **help nearly 1,000 students attend a Christian school.** The impact of these scholarships is profound, as illustrated by the testimony of this single mother:

*"They say it takes a village, and as a single mother of two boys, **RenewaNation has been a huge part of my village, allowing my child to have a Christian education with their love and support.***

*My mind can rest while I provide for the daily needs of my children, knowing that my child is surrounded by godly, Christian teachers who are teaching him every day about Jesus, the Bible, and how important it is to live for Christ. **I asked my child one evening, 'Why do you love God?' He said confidently, 'Because He is the Savior of the world. If God were not here, we would not be here, and my little brother would not be here.'***

*As a second grader this year, he will continue to learn and grow in his knowledge of Jesus through a biblical worldview. It's amazing to see my little man share his faith with people he comes in contact with when he asks people, 'Do you know Jesus?' Wow! Convicting. **As a mother who wants her children to live for Jesus, thank you from the bottom of my heart for making this possible for my children."***

**A New Opportunity:** The One Big Beautiful Bill Act, passed by Congress this year, includes the Educational Choice for Children Act (ECCA). This will be the first national tax credit program of its kind that gives the opportunity to fund scholarships for students to receive a Christian education. **We recently received a \$100,000 gift to prepare our team to be on the cutting edge of this new federal program when it rolls out in 2027.**

## Opportunities to Get Involved

**Training Facility:** \$150,000 to remodel our new office and training center, which will allow us to offer onsite and online training.

**School Scholarships:** \$10,000 to provide a scholarship to help a new school launch or support a school in our renewal program for \$15,000.

**Resource Development:** \$100,000 for SEED curriculum development and book publishing.

---

**Contact:** Ron Gordon  
[ron@renewanation.org](mailto:ron@renewanation.org)

# Manderley Farms

**Manderley Farms, located in Pikeville, Tennessee, is a 1,200-acre multi-species regenerative farm that will provide funds for our camp ministry and offers guests the opportunity to learn about biblical worldview farming practices through farm tours, conferences, and other on-farm events.**

**Andrew Mast**  
Executive Director

Manderley Farms is our most unexpected gift to date, and yet we see God's hand in this incredible trust He has given us. When God gave our founder, Jeff Keaton, the vision of RenewaNation almost two decades ago, he had no idea it would lead to us being in the camping and farming business. However, Spirit-led people must be willing to follow God wherever He leads because He knows where we should go and what we should be doing to accomplish His plan. Let us share with you the incredible story of how we came to own Manderley Farms.

Over 12 years ago, Jeff met a wonderful lady at a little country church in Pikeville, Tennessee. She invited him to her farm to explain the mission of RenewaNation. After his 10-minute presentation, she looked him in the eye and asked a surprising question: ***"What would you do with this 2,000-acre farm if I gave it to your ministry?"***

Without hesitation, he responded, ***"We would initially bring hundreds of children here each year to teach them Judeo-Christian values, and then we would bring thousands upon thousands."*** She later shared with a mutual friend that she knew right then and there that she would be leaving her farm to RenewaNation.

Between 2015 and 2016, she gifted our ministry an 800-acre portion of a mountain and the funds to build the first phase of Manderley Camp, which welcomes nearly 3,000 campers annually. In April 2022, RenewaNation took on the farm's operations. After evaluating its profitability, we decided to transition it into a regenerative, rotational grazing farm, committed to raising food according to God's good design. We stopped fertilizing the fields and ceased giving the cows routine vaccines and antibiotics. Following the advice of one of the nation's leading rotational grazing farmers, we reduced the herd size and began moving the cattle to new pastures twice a day. **The transformation over the last three years has been nothing short of amazing.** Our pastures are now lush with deep, thick grass, and our cows are thriving.

**WATCH THE AMAZING  
TRANSFORMATION:**  
[youtu.be/IX2FNGS7AF0](https://youtu.be/IX2FNGS7AF0)

This year, the farm's owner took the next step in transferring the property to RenewaNation. She gave us an additional 370 acres of pasture, barns, a house, an office, all the cattle and sheep, a full suite of farm equipment with eight tractors, the farm's LLC, and the remaining funds needed to bring the farm to profitability. This entire gift was professionally appraised at nearly \$4.5 million, with most of that value in the land, cattle, and equipment.

Andrew and Julianna Mast, along with Andrew's father, Elson, are leading this effort. They love what they are doing and are working diligently to create a sustainable farm that will demonstrate God's good design for raising animals and the food they produce.

**The farm is also a key part of our future, as the income it generates will help us continue to expand the camp in the years to come.** We have a fully operational plan that will make the farm profitable within the next couple of years. We currently have about 400 cattle, 300 sheep, and will soon have 1,000 egg-laying chickens. Through the funds generated from the farm, we will ensure that many more guests will be able to take advantage of the biblical worldview development opportunities at the camp and farm. We thank God for this most unusual gift and how He is using it for His glory!

## Opportunities to Get Involved

**Volunteer:** We're looking for **mechanics, equipment operators, and general laborers** to volunteer for one or two weeks on our farm. Lodging and steaks provided.

**Donate:** We're expanding our herd by 75 cows to reach profitability more quickly. You can support this growth by donating cows or funds to buy them. A bred cow costs **\$3,000 - \$3,500**, and a bred cow/calf pair costs **\$4,000 - \$4,500**.

---

**Contact:** Andrew Mast  
[info@manderley.farm](mailto:info@manderley.farm)

# Manderley Christian Camp

*Manderley Christian Camp and Conference Center, located in Pikeville, Tennessee, is a retreat and camp facility offering a variety of biblical worldview programs for youth and adults, including summer camps, retreats, and events.*

**Dave Sekura**  
Executive Director

**M**anderley Christian Camp and Conference Center opened in 2017 with 13 large cabins that could accommodate just over 200 guests. Our campus features a 4,500-square-foot lodge for meals and gatherings, and a 2,500-square-foot lodge with offices, restrooms with showers, and an apartment for camp workers. **With 800 acres overlooking the scenic Sequatchie Valley, our camp provides a beautiful setting to enjoy outdoor adventures and faith-based activities.**

## Significant Expansion

**Over the last three years, we've significantly expanded our facilities by adding several acres of recreational fields at the base of the mountain, a 1,000-square-foot swimming pool, and a 6,000-square-foot pavilion.** The pavilion houses restrooms, a 1,200-square-foot hangout area for campers, and a snack shop that sells favorites like hamburgers and hot dogs.

The Yoder Center Pavilion

## A Unique Spiritual Impact

**This year, we had a full schedule, with 10 weeks of summer camp and approximately 30 retreats in the spring and fall. We welcomed nearly 3,000 campers and saw God move powerfully in the hearts of many young people.**

Our camp director, Dave Sekura, has dedicated over 30 years of his life to Christian camping and is passionate about its impact on young people. **We are deeply committed to our camp ministry because we have discovered that camps and retreats play a unique and crucial role in a young person's journey toward a deep relationship with Christ.**

The following young man's testimony is a powerful example of what God is doing in the hearts of many through our camp ministry.

"Dear Bro. Capaci [Camp Pastor], I've never been part of something more real, and I've never seen God move like He did this week. A bunch of people got saved. Every night, there were dozens of people down at the altar crying out to God. When I say God moved, I mean it. It was so real and so clear, and I felt like a massive weight was lifted off my shoulders. **I am overwhelmed with the most peace I've ever had, and my whole perspective on life has changed.** I've prayed more than ever, and my walk with God has never been stronger. Not only could I see God moving in my own life, but I could see God moving in the lives of others. Just the attitude of the room proclaimed the name of Jesus. **People were pouring out their souls to God**, and it felt as though you could feel everybody's burdens, weights, fears, doubts, issues, etc., being lifted off their shoulders. There was a moment on Friday night, during the invitation, when my friend and I were praying together at the altar, and I felt a hand on my shoulder. It was the most gentle touch I have ever felt. I was overcome by a rush of warmth that echoed through me. I found out later that at the same time, my friend felt the exact same hand on his shoulder, too. The coolest part is that no one was behind us. **I have a new outlook on life and a new outlook on the Bible.** I got to sing and help lead worship with a singer by the name of Jay Boyce, who was there this week to lead worship. I sang like I've never sung before, and I worshipped like I've never worshipped before. **Now I am excited to go to church, which felt like a burden before, but now I can't wait.**"

## Our Next Big Goal

Our next goal is to build a new dorm with large, open bunk areas to accommodate 100 additional students. This dorm will cost approximately \$1 million and allow us to host 300 campers per event, matching the capacity of the new pavilion. As soon as God provides the funds, **we will fill it with young people all summer long.**

## Opportunities to Get Involved

**Send a group of children or teens** to one of our various camps or retreats.

**Rent our facility** for church or family events.

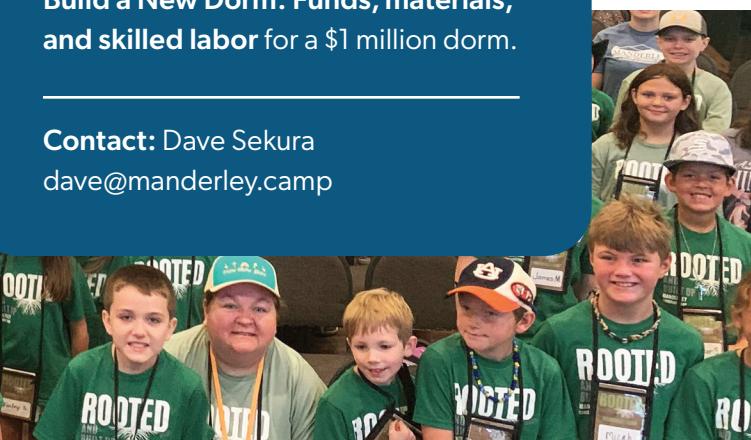

**Volunteer** with cleaning, maintenance, kitchen duties, counseling, and more.

**Provide Scholarships:** \$300 gives a child in need the gift of camp.

**Build a New Dorm:** Funds, materials, and skilled labor for a \$1 million dorm.

---

**Contact:** Dave Sekura  
[dave@manderley.camp](mailto:dave@manderley.camp)

## The RenewaNation Review Magazine

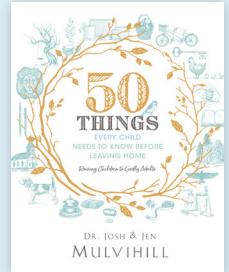

For years, our magazine has reached hundreds of thousands of families, and we've heard countless stories about its impact. A few months ago, we received one of the most powerful accounts yet.

Ron Gordon was leading a school renewal project in Minneapolis when a board member shared his testimony. The man explained that his involvement in Christian education began when he picked up a copy of *The RenewaNation Review* magazine at his local church. **He and his wife read it cover to cover, and it had such a profound effect on him that he decided to help his oldest grandchild enroll in a Christian school.** His grandson, a middle schooler, was initially uninterested in leaving his public school. But after attending a Christian summer camp, the young man changed his mind and asked to attend a Christian school. The grandfather made it happen, and he has now been a dedicated member of the Christian school board for years.

**Just one magazine impacted one grandfather, who then made it possible for all six of his grandchildren to receive a biblical worldview education.** His personal investment of time and talent as a Christian school board member has been invaluable. In eternity, we'll learn the rest of the stories of how RenewaNation's ministry has helped young men and women develop a biblical worldview and significantly impact the world.

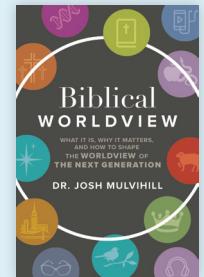

## Other Impactful Resources

### 50 Things Every Child Needs to Know Before Leaving Home by Dr. Josh and Jen Mulvihill

This book is a guidebook designed to help you create and implement a plan to raise your children to maturity in Christ. It provides a roadmap for parents to holistically disciple their children into mature, godly adults. Functioning as both a guide and a keepsake, the book allows you to capture milestones and memories to share with your child when they are older. It is a proactive tool to help you establish a clear plan for every season of your parenting journey.

### Biblical Worldview: What it is, Why it Matters, and How to Shape the Worldview of the Next Generation by Dr. Josh Mulvihill

Discover what a biblical worldview is, why it matters, and how to establish this foundation in the life of a child. Filled with practical tools and ideas, *Biblical Worldview* will help you lead children to a lifelong faith in Jesus and a fruitful ministry serving Him in the world. It's a helpful resource for parents, grandparents, teachers, and pastors—anyone who leads children in their spiritual development. For further study, a companion *Biblical Worldview Study Guide* is available.

**"When we guide children to understand Christ's thoughts about every part of life, they are prepared to bring deep and lasting healing to this broken world."**

## **Closing Thoughts from Our Founder**

Recently, our nation has been rocked by hatred and violence, but perhaps nothing has impacted us more than the assassination of Charlie Kirk. I heard him share in more than one video that he came to know Christ in a fifth-grade class at a Christian school when his Christian teacher shared the gospel with him.

Think about that for a moment. **This is how we fix what is broken in this country! We regain access to the hearts and minds of millions of children, lead them to Jesus, and pour His truth into them.** Then, just like Charlie Kirk, we unleash them into every sphere of culture, equipped with God's truth.

Charlie Kirk was just 18 years old when he launched his ministry. He had only 13 years to make his impact on the world. In that brief time, he built an organization with 1,000 employees and nearly 100 million in annual income. More importantly, God used him to change the hearts and minds of millions of young people.

As I contemplate Charlie's beautiful life and tragic death, I'm convinced that we need to think bigger at RenewaNation. What could we do in the next decade if we chose to think in terms of maximums, not minimums? **How many children could we reach if we didn't let anything hold us back?** What if we lived by radical faith, not letting fear of failure, a lack of resources, or anything else stop us from living for Christ and advancing God's great kingdom? If we do this, we will reach millions of children who will grow up to reach tens of millions more!

This is exactly what we are working hard to do at RenewaNation. While our work is challenging and costly, the eternal impact and rewards are immeasurable. **When we guide children to understand Christ's thoughts about every part of life, they are prepared to bring deep and lasting healing to this broken world. Will you join us like never before?**

**Jeff Keaton**  
Founder & CEO

# Financial Overview and Ministry Impact

### Key Impact Areas:

- **Christian Schools:** Over 100,000 children
- **New Books:** Over 100,000 children
- **Family Ministry Academy:** 50,000 people
- **The RenewaNation Review Magazine:** 30,000 families
- **Churches and Families:** Tens of thousands
- **Direct Scholarships:** 1,000 students
- **Manderley Camp:** Several thousand

## The Bottom Line

**Annual Cost: \$6.6 Million**

**Our \$6.6 million budget directly impacts the lives of over 300,000 children for only \$22 per child. How many children would you like to fund this year?**

## Our 2026 Vision: How You Can Help

At the heart of everything we do at RenewaNation is a single purpose: lead children to Christ and equip them with a biblical worldview. We firmly believe this is the hope for our broken nation and world. This isn't a quick fix, but it is a deep and enduring one.

Your partnership makes our impact possible. **As we wrap up 2025, we are praying for one million dollars in gifts.** This critical funding will help us close the year strong and prepare for an even bigger impact in 2026, reaching hundreds of thousands of new children.

If you share our passion, please pray earnestly about what God would have you give or commit to our mission, either by year-end or in the year ahead. It will take every one of us doing what God asks to keep marching forward at a rapid pace. Your best gift may be small, large, or something in between; God rewards us not on the amount but on our obedience and willingness to cheerfully give what He asks us to give. We are honored to partner with you to bring the truth and hope of Christ to our nation and world.

**If you have questions or would like to discuss your gift, please contact Chuck Robb, our Director of Ministry Partnerships, at 225-266-0199 or [crobbs@renewanation.org](mailto:crobbs@renewanation.org).**
