John 2:1-11

## Wedding at Cana

Jesus, his mom, and his friends were at a wedding. His mom came to him and said, "Jesus, they've run out of wine."

Jesus frowned. "Uh, Mom? I have more important things to worry about than wine."

Mary smiled and ignored her son—she knew he would help. She turned to the servants and said, "Just do whatever my son tells you."

Jesus told the servants to fill six big jars with water. Then he told them to take some out and drink it. Just like that, it had turned into wine! Really, really good wine, too! Everyone was amazed.

It was the first miracle Jesus did, and his friends believed that Jesus was God's promised Messiah.

## Did You Know?

The jars in this story would have been between 2 and 3 feet tall and as big around as a large pizza (16-20"). Those are some big jars!

## TRY IT AT HOME!

Have a party with some friends. There, with a grown-up, turn water into fruit drink by using Kool-Aid or a similar product. Taste the water before the transformation and then after.
