

# Am I My Brother's Keeper?

## **Week 2: The Ham Incident!**

January 11th, 2026

Let's learn how to face the SLOP in our lives by looking at Noah and his sons. The theme of Genesis 6-9 could be stated this way:

**"Very Good" -> "Oh No!" -> "Let's START OVER"**

### **Genesis 9:**

1. **New Creation and Repeated Themes.** (vs 1-8)
2. **New FALL.** (vs 1-8)

**It is sobering to realize such a giant of faith as Noah still fell prey to personal temptation.**

**Accountability is often missed because it is UNCOMFORTABLE.**

Shem & Japheth took RESPONSIBILITY, sought RESTORATION, and desired RECONCILIATION

***Jesus commends the principles of CONFRONTATION & CONFESSION***

*(Matthew 5:21-24; Matthew 18:15; Galatians 6:1-2)*

**Accountability means to be regularly answerable to qualified people for the key areas of one's life. (Patrick Morley)**

- ANWERABLE: Goals, standards, purpose, priorities, character, conduct
- REGULARLY: often, consistent, intentional, prayerful
- QUALIFIED: An accountability partner should be serious about Salvation, Sin, Sanctification, Safe-Keeping, and Supporting

**Effective Accountability is done with care and prayer.**
