**TODAY'S TOPIC:
GOD'S CREATION**

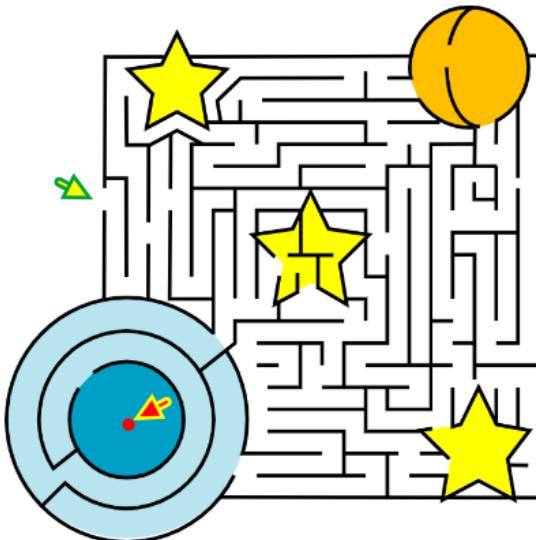

A long time ago, before there was anything, there was God. The Bible says in the beginning God created the heavens and the earth. First, the world was empty and dark. There were no trees or animals or people. God began to bring order to the world just by speaking because God is powerful.

God said, let there be light and there was light and God saw the light was good. Then he made the sky and the waters below. Then he made dry land and separated the waters into rivers, lakes, and oceans. On the dry land He created grass and flowers, trees and plants and God saw that those were good. Next he made the sun, moon, and stars and God saw that this was good. After that, God made different kinds of birds to fly in the sky and different fish, dolphins, whales and other creatures to swim in the water. God saw that this was good. Then, God created all kinds of animals to live on the land and God saw that this was good too. Finally, God made people. He created Adam and Eve and put them in a beautiful garden to take care of all of His creation.

God created all of these things because He is good and powerful. On the last day, God rested and said that everything He had made was very good.

Find your way through the heavens.

Each number stands for a letter of the alphabet. Write the correct letter in the blank to find the coded words and phrase.
