## FROM THE PASTOR

### Conserve the Results of the Revival:

We need to conserve the spiritual results of these revival services. Hebrews 2:1 (KJV) urges us to pay close attention to what we've heard so that we do not let these truths slip away. Similarly, Luke 8:15 (KJV) calls us to hold onto the word with an honest and good heart, bringing forth fruit with patience. My prayer is that we all begin applying the lessons learned last week. I do not want to remain unchanged due to neglecting these truths. James 1:22 (KJV) instructs us to be doers of the word, not hearers only. James 1:23-25 (KJV) further explains that a hearer who does not act is like someone who forgets their own reflection, but those who act on God's Word will be blessed. Our prayer should be that we ask God to conserve the results of these revival services in our hearts, so that the impact remains and continues to bear fruit in our lives.
