Greetings Supporters and Prayer Partners,

Thank you all for your tender prayers. We would like to praise the Lord for the meetings that we have had this first quarter of 2025.

I am so thankful for Godly parents of whom I am able to draw Godly wisdom and understanding. In January, Satan was really attacking us concerning our deputation. I was able to call my dad and ask, "am I able to do this?" To which my dad replied, "no, you can't...but God can." That night, God used my dad to remind me that the ministry is not mine or my wife's, it is Gods. Jesus reminds us of this lesson in Acts 1:7 "...It is not for you to know the times and the seasons, which the Father hath put in His own power." Sheet music is not owned by the instrument but by the musician. Whatever Gods plan for us, whenever God plans for us to be wherever He wants us to be, it is not for us to question or doubt, but to obey.

We are thankful to the finance team at BWM. After some review, they noticed that some of our budget was a little higher than what we had projected. So, thanks to their work we were able to get a more accurate percentage of support. We are getting more and more excited to see that we are over a third of the way supported. Our prayer is to be fully supported by the end of 2025. This may seem like an impossibility, but God often deals in the impossible. Faith sees the invisible, touches the intangible, and witnesses the impossible.

I am so thankful for the lessons God teaches us as we walk along life's journey. Please continue to pray with us as we are starting to get more support and more meetings. Thank you all once again for your prayers and support.
