## December 2025 Treasurer's Report

---

*Remember this: Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously. Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work.*

## TREASURER'S REPORT

### Overview

As shown in Figure 1 below, the unreserved ending General Fund balance for the month ending December 31 is \$604,665 (page 6), a decline of roughly \$21,000 from the previous month. As mentioned in last month's report, for the past fiscal year operating expenses have outpaced operating revenues by \$20,000 to \$30,000 per month. What has kept Synod finances in the "black" is the receipt of one-time revenues, most notably property sales from congregations that have closed, and closely examining accounts where funds may no longer be needed for their original purpose.

On an annual basis, operating revenues will fall short of operating expenses by approximately \$250,000. The strategy for dealing with this shortfall is to build up fund balance with one-time revenues, and draw fund balance down over time. As we continue working on 2027 budget development, ways in which the gap between operating revenues and expenses might be narrowed are also being examined.

### General Fund Revenues & Expenses

As noted above, for the month of December revenues outpaced expenses by \$21,000. Revenue for the month totaled \$116,756, while expenses equaled \$137,516 (page 14).

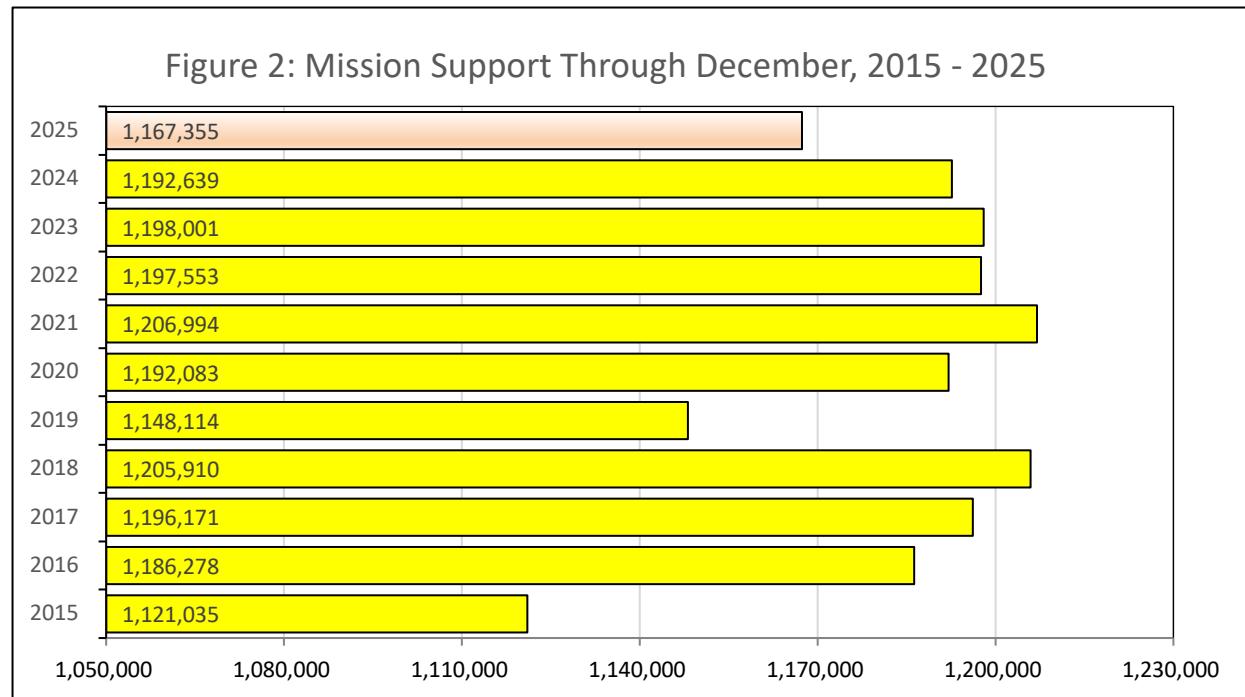

Looking at revenues, Mission Support Revenue and Interest Income continue to be areas of concern. Mission Support is 86% of budget, or \$1,167,354, while Interest Income is 52% of budget estimates, or \$78,230. With the exception of Support of Churchwide, expenditures are in line with budget estimates. Churchwide expenditures are off because they are driven by Mission Support revenue, which, as mentioned above, is under performing. (page 14).

### Mission Support Revenue

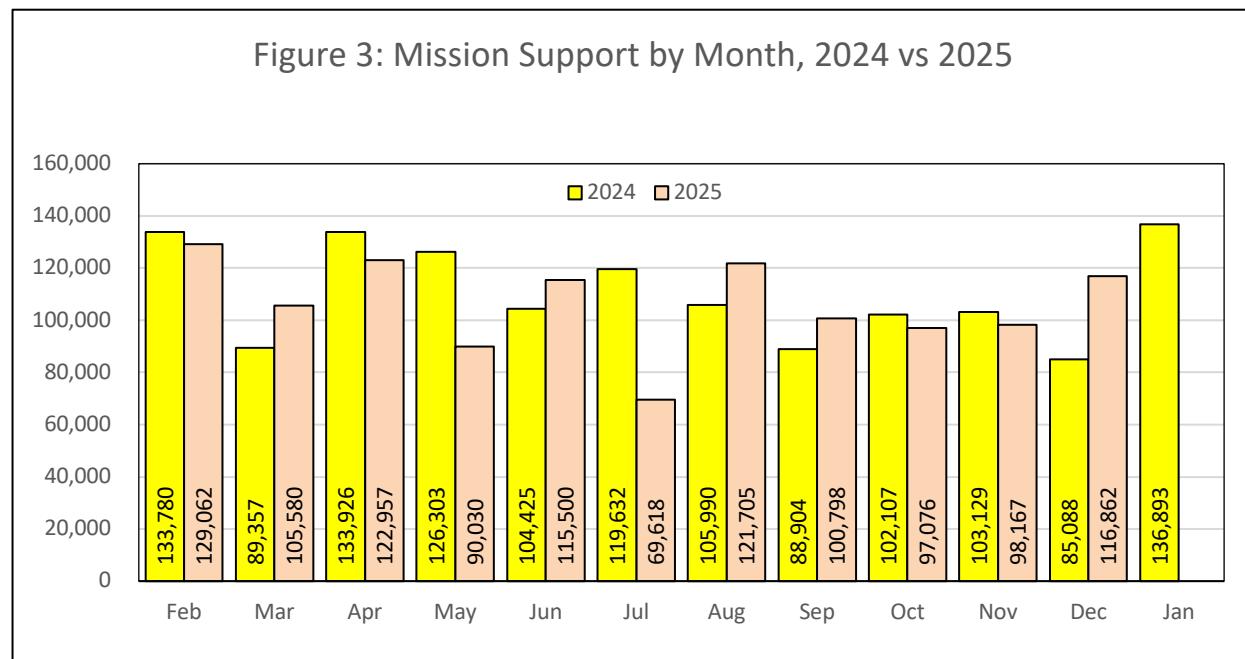

Mission Support revenue continues to flow in below budget estimates by approximately

5%, or some \$70,000 approximately 92% of the way through fiscal 2025.

Figure 2 below graphically shows how year to date Mission Support revenue is lagging previous years. Not since 2019 have revenues been this low.

Another way of viewing Mission Support Revenue is to compare it month by month with last year's receipts. This analysis is presented in Figure 3 below.

**Closing Comments**

Now that December has concluded, please take a moment to review your congregation's annual mission support intent commitment and, if you have not offered an Intent for 2026, please consider taking this step by completing the [Congregational Mission Support Intent Form](#).

Please extend a thank you to your congregation for their generous gifts and continued support of our mission effort for our 2025 fiscal year. Through your gifts, we can extend our mission efforts throughout the Northwest Washington Synod and the greater ELCA community.

Should you have any questions, comments, or feedback, please feel free to contact me via voice, text, or email to any of the contact methods listed below.

Blessings,
