

# Recommitment To The Name Of Jesus

## Acts 4:8-12

When Peter and John went to the temple to pray one day they encountered a man who was lame from birth. The man lay at the temple gate called Beautiful and petitioned them for money. Peter replied, "Silver and gold, I have none, but such as I have in the name of Jesus of Nazareth, rise up and walk." They grabbed him by the hand and he stood up and walked. It was by the name of Jesus and by faith that he was healed.

We should never think that our situation is so bad that it cannot get better. This brother was lame from birth and by faith he was set free. Some people may not appreciate your healing and some may criticize, but God is not a respecter of persons.

Peter and John stayed committed to Jesus, although we can recall the time he pretended he did not know Him. We have to stay committed to Jesus, because he is the chief cornerstone upon which the foundation of the gospel is built. We cannot be like those who rejected him.

King David was the last person they thought would be the king, yet he was a cornerstone because he was a man after God's own heart.

We have to welcome rejection in our lives because it's a promotion to something greater. We are living epistles, and we must take the message of Jesus Christ which is written in our hearts and share it with the whole world. Share that he's the cornerstone. Share that he died on Calvary's cross. Share that he shed his blood for your sins. Whatever you do carry the name of

Jesus. If you do, you can change the world and turn it upside down.
