## Announcements

### A Call to Prayer

As you probably already know, Franklin Graham sent out a call for national prayer last week. As the streets of America boil over with hate, anger, crime, drugs, and just sheer hopelessness, please continue to pray for our nation. As a nation, our sins are so great. We have increasingly turned our back on God and His commands, embracing godless secularism. As a nation, we need to ask His forgiveness and seek His face. Please pray that God would bring calm to our streets and ask God to use His church to be His instruments of peace in this time of great uncertainty. With humility, let's give God the glory for this great nation and thank Him for His hand of blessing, protection, and mercy.

Also, please remember to keep our GCC church family in your prayers as there are many folks who are part of our church family who are currently experiencing illness and/or surgeries.

Please continue to pray for our leaders--national/state/local leaders, and our church leadership!

*[Note: If you are new to GCC and would like to be added to the email list that is sent out with prayer requests, please contact the Front Office so that we can add you to the list.]*

### Donation Envelopes and Online Giving
