Diving deep into the big story of the Bible - God's plan to rescue His people through His Son, Jesus Christ

Jesus Gave His Followers a Mission

Acts 1

Today's passage is found in the first chapter of the book of Acts. Although Jesus' time on earth was coming to an end, He promised to leave His followers with a special Helper and Guide. God fulfilled His promise to remain with us, and through the gift of the Holy Spirit, He also provided the power to accomplish the mission of His church.

What was Jesus' overall mission for His church? Better yet, how were the apostles supposed to accomplish this feat in Christ's absence?

Jesus' departure meant great uncertainty for His people. He proclaimed the restoration of God's kingdom, but His apostles could not seem to recognize His power at work. Though they requested a timeline for their troubles, the Lord directed attention away from the passage of earthly time and instead toward the power of His Holy Spirit.

As He did with His early followers, the Lord has called us to be witnesses of His good news to the world. He may not give us the answer to every one of our questions, but He does give us the power of the Holy Spirit to proclaim His good news with our words and actions. From Judea to Samaria, near and far, there is no place His power and purpose cannot reach. Knowing we lack the ability to do His will on our own, He provided His

Holy Spirit to aid us on this mission.

Jesus even declared in John 16:7 that it is better that He leave us and grant us the Spirit's power in His place.

As you talk with your kids this week, consider the truth that the Holy Spirit has already provided us the strength needed to witness to the next generation of Christ followers. While we may not understand His timing, or plans, we can trust in His ability to provide what is needed to do His will. Help your kids see that the Holy Spirit empowers us to face life's uncertainties and to live on mission for His kingdom, leading others to place their trust in the God who provides all we need.
