SOUL SHOP™ FOR BLACK CHURCHES

Specifically designed for pastors, church staff, faith-based clinicians and other lay leaders in Black and African-American churches, Soul Shop for Black Churches focuses on

- the role of societal discrimination in suicide rates among black and brown young people
- the prominent role of the church in African-American communities and how that can be leveraged towards public health
- statistics, trends and rates of suicide among people of color
- challenges of and ideas for engaging issues of mental health and suicide in black churches

THIS PROGRAM EQUIPS LEADERS WHO ARE ON THE FRONT LINES OF COMMUNITY MENTAL HEALTH CRISIS TO MINISTER TO THOSE IMPACTED BY ALL THE FACES OF SUICIDE.

Soul Shop Developed in Partnership with
