Please take note of the new start time. This week we will study Lord's Days #3-5, the matter of our misery. In this, we will see that the corruption of sin in humanity is total and complete. Thus the Catechism sets the stage to explain why sinful humanity will ultimately need a singular kind of Savior. Pastor Bill and Seminarian Scott Klooster will be leading this class in team teaching. If you were unable to attend the first class and still wish to join the class feel free to come. There will be a brief review before moving into the new material for the evening. See you there!

1st Offering — EBENEZER MINISTRIES This offering is used to cover day-to-day expenses of the church, fund the various ministries at Ebenezer, cover the salaries of staff, and contributes to the ministry shares that we are committed to as members of CRC Denomination.

2nd Offering: CADETS—CALVINIST CADET CORPS Next week is Cadet Sunday, and our theme for this year is **Stand Firm** which comes from 1 Corinthians 16:13-14 "**Be on your guard; stand firm in the faith; be courageous; be strong. Do everything in love.**" This year's offering is for the Calvinist Cadet Corps in Grand Rapids. Over the last couple of years, increased expenses have made it so Cadets has been running a deficit budget. Many churches have decided that instead of a free will offering, they created a budget line item in their church budget. This budget amount is less money than a free will offering typically is.

I am asking that you prayerfully consider the amount you plan to donate to the Cadet Ministry. This ministry has been foundational to the development and mentorship of boys in Ebenezer for over 40 years. Multiple generations of boys have grown up in the faith to lead their families, lead in the world and lead in their churches. If you feel called to donate to cadets directly you can do so with this link <https://www.calvinistcadets.org/donate/> Thank you for supporting this critical ministry.

Next Week: MERCY SHIPS Our values are to model Jesus's example by aiding the poor and healing the sick. Our vision is to bring first world healthcare to a developing country. There is a healthcare crisis in Africa. Every year, poverty and inadequate health services leave millions of people vulnerable, sick, and infirmed. As a result, individuals and communities cannot flourish because of hardships caused by barriers to work, caring for their families, or pursuing education. It is our mission to bring accessible healthcare services to people in great need. We do this by offering surgical, eye and dental care and Education, Training and Advocacy programs designed to strengthen healthcare systems. Contributing to improved Africa healthcare means more people can participate more fully in social and economic activities. Improving lives and communities (and ultimately the country) is the impact of our work
