requires Action.

1. Read 2 Corinthians 9:1-5. Paul is writing this to make sure the Corinthians are ready and prepared with their offering when he comes. Share about a time that you were not ready or prepared for something.
2. Which of the Principles of Generosity outlined in the sermon is easiest for you? Which is the most challenging?
3. Read Romans 15:22-29 and 1 Corinthians 16:1-4. Why was it so important to the Apostle Paul to take up a collection from the Gentile churches for the church in Jerusalem?
4. One of the Benefits of Generosity is that it creates thanksgiving to God. Share about a time when you received generosity and your response to it.
5. In what way do you believe God is challenging you to be more generous in your life this week?
