

YOUTH LEADERSHIP TRAINING PROGRAM

March 15–18, 2026

- YLTP gathers youth from across the diocese for a transformative four-day residential experience of leadership development, community building, and faith formation. The program is deeply shaped by our diocesan Mission Action Plan, equipping young people to grow in faith, discover their gifts, and live out God's mission in their communities.
- Learning takes place during three consecutive March Break retreats.
- First year applicants must be between the ages of 12 (Grade 7) and 15 years; applications must include a reference from the rector.
