**FROM THE PASTOR**

Job 13:1-28  
“Though He slay me, yet will I trust in Him: but I will maintain mine own ways before Him (13:15).  
As we get up every day and see the headlines in the United States of America and around the world, it is not hard to understand the Bible truth that there is a kingdom of darkness in this world presided over by a king, (just as there is a kingdom of light presided over by Jesus Christ) the kingdom of Satan.  
There is a god in this world (2 Cor 4:4), and we see him in his illimitable power in his command of the elements and of disease. It was Satan who destroyed God’s perfect creation. it was Satan who destroyed God’s re-creation, made the animal kingdom vicious, and caused people to be full of murderous thoughts. Job gives us a good example of this truth. After he suffered his many and great losses, he asked the question as to who caused his heartache and agony. He came to realize that Satan did it under the permissive will of God. It is so vital for the Christian, the church, the marriages and families to walk with God and to walk in His Word. This brings a joy and a protection on all who do so. There is another factor that we must lean on today, ad that is the power of prayer. It is the one thing that can restrict Satan’s powers. Let’s get on our knees and begin to pray for our land today.  
It is a joy to see you in church.  
-Pastor Rex
