A Gospel Formed Community

Scripture: Acts 2:42-47

- I. A Learning Community
- II. A Loving Community
- III. A Liturgical Community

Food for Thought

1. How can we cultivate the same hunger for God's Word that the believers displayed following Pentecost? How can we frame our experiences with God toward a deeper desire to learn and submit to His Word through the ups and downs of life?
2. How does the sharing of possessions and social support of the first century church shape our understanding of fellowship and generosity? What are some ways the church can express Christ's love to those in need today?
3. How do consistent, informal gatherings, form community in ways that programs or events can't? Alternatively, how might formal gatherings build up the body in ways informal gatherings can't?
