BIG IDEA: The greatest miracle is Jesus' authority to forgive sins.

Friends with faith point us to Jesus.

Faith will find a way.

THE NEED FOR FORGIVENESS (v. 5)

Forgiveness of sin is the greatest human need.

We must diagnose true needs.

AUTHORITY QUESTIONED (vv. 6-9)

Theology without faith can lead to error.

We must decide in our minds and hearts who Jesus really is.

THE AUTHORITY TO FORGIVE (vv. 10-12)

The authority of Jesus is demonstrated by His power.

Forgiveness leads to restoration.
