Shrove Sunday Waffle Breakfast – February 15th!

Lent traditionally involved abstaining from rich foods like meat, eggs, butter, and sugar, so Shrove Tuesday became the day to use them up with indulgent dishes, traditionally pancakes. To include more of our church community, we are celebrating with Waffles on Sunday instead.

Join us after worship on Sunday, February 15, for a joyful Shrove Waffle Breakfast in the fellowship hall! This tradition is a chance to gather as a congregation, share a meal, and celebrate community together. Fresh waffles hot off the griddle will be served, along with orange juice to brighten the morning.

To make the table even more abundant, we invite you to bring breakfast dishes such as quiche, sausage, baked goods, or fruit trays. If you have a waffle iron, bring that to help us cook! It's a wonderful opportunity to enjoy good food and warm fellowship as we prepare for the Lenten season. We look forward to seeing you there!

Join other people of faith for a day of learning about state legislative issues and sharing our priorities with our state legislators. Final day for registration is Thursday, January 29. Questions? Contact Donna S. at soupstock2@msn.com

Join other people of faith (not just United Methodist, not just Christian) for Faith Action Network's "Interfaith Advocacy Day" in our state capitol of Olympia on Thursday, February 12. The event is scheduled for 8:30am - 3:00pm, so plan on a full day! (Lunch is provided and we usually carpool.)

There will be speakers to learn from. Online workshops are scheduled the first couple weeks before Advocacy Day. FAN staff also arranges 15-minute appointments with our legislators (or legislative assistants if the actual legislators are busy) to share our views and ask questions. LOTS of information is shared before the event so you can learn more about important state issues. They ask people to register by Thursday, January 29 so they can schedule all the legislative appointments.

Here's FAN's Legislative Agenda for this short session of 2026:
