GRANDPARENTS, WITH LOVE
A Poem

You've carried us in gentle hands,
and taught us lessons life demands.

Some near us daily, some miles away,
your love remains, it does not sway.

For those who guide us day by day,
for those who raised us along the way.

For those whose visits are precious, few,
we honor the love that still shines through.

Old with wisdom, or young with cheer,
you hold our stories, our roots, so dear.

Grandparents, in all the ways you give,
we thank you deeply—for teaching us how to live.

Fall brings a new season!

NATIONAL DAY OF ENCOURAGEMENT, SEP 12

We encourage you to think of ways to invite church members and other people in your life to respond to the proclamation with their own "but God" statements. There go I, but for the GRACE of God!

PRAYER PARTNER PROJECT

Prayer Partner Project

BEGINS: SEPTEMBER 15 - NOVEMBER 15, 2025

The Prayer Partner Project is an initiative designed to foster spiritual growth and connection through prayer, encouraging participants to pair up and support each other in their faith journeys.

SPIRITUAL
RENEWAL
RETREAT

The Haven River Inn

Spiritual Renewal Retreat

THE HAVEN RIVER INN

A Retreat for Rest and Renewal

Step away from the busyness of ministry and enter a space set aside for Sabbath.

This 24-hour retreat is not a class—there's no homework, no required reading, and no agenda to keep up with. Instead, it offers time to breathe deeply, rest fully, and reconnect with God.

Through worship, prayer, and gentle spiritual practices, you'll be invited into a rhythm of renewal—just for you.

Come be refreshed before the next season begins—after summer ministries wrap up, before fall gains momentum, and ahead of Advent and Christmas.

Safer Sanctuaries

NURTURING TRUST WITHIN FAITH
COMMUNITIES

Safer Sanctuaries: Nurturing Trust within Faith Communities is a new and comprehensive resource that continues the tradition of Safe Sanctuaries ministry by building on the trusted policies and procedures that have guided churches over the past twenty-five years. This resource contains theological grounding for the work of abuse prevention, psychological insights about abuse and abuse prevention, basic guidelines for risk reduction, age-level specific guidance, and step-by-step instructions on how to develop, revise, update, and implement an abuse prevention plan in your church or organization.
