## VACATION BIBLE SCHOOL

Vacation Bible School, commonly known as VBS, is a specialized program typically held by most churches during the summer months. Designed primarily for children, VBS aims to teach biblical lessons, instill Christian values, and create a fun, engaging environment for spiritual growth.

## Welcome Into This Place!

Welcome into this place  
welcome into this broken vessel  
You desire to abide in the praises of Your people  
as we lift our hands  
and we lift our hearts  
as we offer up this praise unto Your name! (Lyrics)

Summer has arrived and church worship still continues on the second and fourth Sunday of each month. The month of June is coming to an end, but we have been blessed with graduations, weddings, birthdays, Father's Day, Flag Day, Juneteenth, and rain! Stay safe and know that Jesus loves you!
