CALL TO WORSHIP (Responsive)

One: Each part of creation reveals unique aspects of God the Creator, who is both in creation and beyond it.

Many: All parts of creation, animate and inanimate, are related.

One: All creation is good. We sing of the Creator, who made humans to live and move and have our being in God.

Many: In and with God, We can discover our place as one strand in the web of life. We can grow in wisdom and compassion. We can recognize all people as kin.

One: We can accept our mortality and finitude, not as a curse, but as a challenge to make our lives and choices matter.

All: Hallelujah! Praise God, our Creator, who blesses us with this world, these bodies, and our fellow creatures, all created good, very good.

One: Come, let us walk in this good way, let us belong to one another, just as we belong to God

EMBRACING GOD'S LOVE AND GRACE (Unison)

We sing of God the Spirit, faithful and untamable, who is creatively and redemptively active in the world. Divine creation does not cease until all things have found wholeness, union, and integration with the common ground of all being. Creator, we turn toward your love and grace with open hearts, knowing that as you so freely offer it, we must reach back toward you to receive it. Your

love and grace is for all, a well so deep there is always enough for each one of us. Amen
