PRAYER CYCLE UPDATE

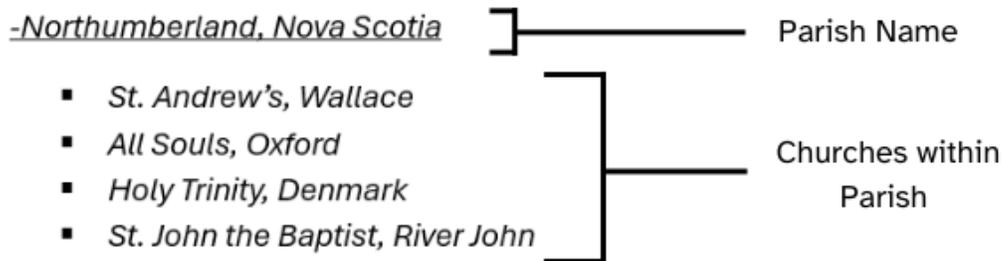

You may notice that this year’s prayer cycle does not include the names of clergy at particular parishes. We made this decision to follow the lead of other diocese across the Anglican Communion, in honouring the clergy who respond to the needs of multiple different churches in different regions of our diocese throughout the year.

Please note that while specific names are no longer listed in affiliation with any given parish, we still encourage you to lift up in prayer the whole worship community for each parish listed below.

As you use this resource throughout the year,
 please remember in prayer;
 all **clergy, laity, and community members**
 who work together to celebrate ministry and
 worship together across our Diocese.
